INDUSTRIAL VISIT

Akshaya Patra Foundation, Hyderabad

Date: 08.07.2022.

Report

Akshaya Patra reaches out to 18,00,907 children in 63 kitchens across 14 States and 2 Union Territories of India, providing them with freshly cooked meal on all school days. Currently, they are implementing the mid-day meal programme in 19,039 schools of the country, with plans to increase that number.

61 students with two faculty members Mrs. Sheebha Rani and Mrs. Swathi visited Akshaya Patra Foundation, Hyderabad on 08.07.2022. A manager-in-charge of Akshaya Patra accompanied the students and gave a briefing about the industry, Students came across about the process of making food where it was being prepared on steam which was generated using water, diesel and electricity. Later the processed food is packed in stainless steel containers and transported to various locations in custom built vehicles. They maintain very high standards of hygiene where there is very less human interference in the cooking process.

It was an informative, interesting and a successful visit. Students gained knowledge related to supply chain management, time management and about stress management.

Students along with HOD & Faculty while starting for the Industrial Visit.

INDUSTRIAL VISIT

MASQATI DAIRY PRODUCTS Ltd.

24.06.2023

Introduction:

This report provides an overview of the industrial visit to Masqati Dairy Products Ltd. located in Turkayamjal, Hyderabad, which took place on June 24, 2023. A group of 71 MBA students along with the faculties visited the company to gain practical insights into the operations of a leading dairy products manufacturer. This report outlines the visit's itinerary, key observations, and the learning outcomes for the students.

About Masqati Dairy Products Ltd.:

Masqati Dairy Farm was established in 1965 by Ibrahim Bin Abdullah Masqati. Over the years, it has grown to become one of the most trusted and reputed names in the manufacturing of premium milk and milk products. Masqati Dairy Products Limited is known for its commitment to quality, innovation, and customer satisfaction. The company has built a strong reputation for its exceptional dairy products and has become a household name in the industry. With a rich history spanning several decades, Masqati Dairy Products Ltd. has established itself as a leader in the market, catering to the diverse needs and preferences of consumers. Masqati Dairy Products Ltd. has an annual turnover of approximately 300 crores. With over 700 employees, the company is a significant player in the dairy industry. The students learned about the company's commitment to quality, innovation, and customer satisfaction.

IITEX Expo 2023

Date: 30-06-2023

Introduction:

On 30-06-2023, a group of 63 students from Methodist College of Engineering and Technology visited the IITEX Expo 2023 held at the HITEX Exhibition Centre in Hyderabad. The expo, organized by FTCCI and the Government of Telangana, aimed to promote market access initiatives, create awareness, and empower MSMEs and startups with new-age technology and innovations. This report provides an overview of our visit and highlights the key aspects of the expo.

The IITEX Expo showcased a massive display of technology and innovations across various industries, featuring over 150 MSMEs and startups from India and abroad. The exhibition provided a platform for entrepreneurs, business owners, investors, policy makers, and industry leaders to interact, exchange knowledge, and explore business opportunities. The event spanned three days from June 28 to June 30, 2023. The Ministry of MSME extended support to the exhibitors by providing reimbursement of stall rent ranging from 80% to 100% of the stall cost, depending on the category. This support aimed to encourage MSMEs and startups to participate and showcase their offerings.
