

5.4.1 : There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/ or other support services.

The college was established in the year 2008 and so far 12 batches of students have been graduated. The institution has a registered and functional Alumni Association in the name of MCETAA. The Alumni Association was registered in 2019 and has been actively contributing for the development of institution in terms of financial and non financial services.

Financial contributions for an amount of Rs.1,89,500/- during AY: 2022-23

Motivating the students through personal interaction: Current students are periodically interacting with the Alumnus by attending Alumni Interaction seminars depending on the availability of the Alumnus. The Alumnus during these seminars discuss about their experience as a student during their stay in the college and also their experiences at their workplace.

Assistance in employability: Alumni are spending their valuable time to offer career guidance and support to students with their valuable knowledge and experience. This enhances the students understanding and gain competitive edge.

Career Guidance and Mentorship: The Alumni address the students about the career opportunities available for choosing their careers and also mentor them to achieve their goals in life. They also discuss about the technical and non-technical skills for improving their employment potential and career building. The Alumni helps the students in developing entrepreneur skills amongst them and share their experiences as entrepreneurs.

Title: Transition from Campus to Corporate: Insights from Sumaiya Ganesh, Tax Manager at Deloitte.

Introduction

The seminar titled "Transition from Campus to Corporate" was conducted on December 1, 2022, at our college. The event featured Sumaiya Ganesh, a tax manager at Deloitte with four years of industry experience. Mrs. Ganesh shared valuable insights on various aspects of corporate life, including the importance of corporate ethics, professional conduct, setting goals, and interview tips. This report aims to summarize the key takeaways from the seminar and their relevance for MBA students entering the corporate world.

The seminar began with an introduction by Mrs. Ganesh, highlighting her own journey from campus to corporate life. She emphasized the significance of a smooth transition and provided valuable guidance to the MBA students attending the seminar. The session primarily focused on the following topics.

Corporate Ethics

One of the crucial aspects of entering the corporate world is adhering to ethical standards. Mrs. Ganesh emphasized the importance of professional conduct, highlighting practices such as addressing colleagues respectfully and avoiding the use of sir/madam titles. She encouraged students to embrace a collaborative and inclusive work culture and treat everyone as equals.

Mrs. Ganesh stressed the significance of setting clear and achievable goals for personal and professional growth. She discussed the benefits of setting short-term and long-term goals, and how they help in focusing efforts, measuring progress, and staying motivated. She advised students to identify their strengths and align their goals accordingly.

To succeed in the corporate world, Mrs. Ganesh emphasized the need for effective organization skills. She shared practical strategies for managing time, prioritizing tasks, and maintaining a balanced work-life schedule. Students were encouraged to develop habits like creating to-do lists, using calendars, and leveraging digital tools to enhance productivity.

Mrs. Ganesh provided valuable insights into the interview process, sharing tips on how to make a positive impression on potential employers. She discussed the significance of effective communication, body language, and confidence during interviews.

Conclusion

Sumaiya Ganesh's seminar on the transition from campus to corporate provided MBA students with valuable insights and guidance. The session covered various aspects including the significance of MNCs, corporate ethics, goal setting, organizational skills, and interview tips. By imparting practical knowledge and sharing her own experiences, Mrs. Ganesh motivated students to approach their careers with confidence and a strong sense of professionalism. The seminar proved to be an enriching experience for the attendees and will undoubtedly aid them in their journey from campus to corporate life.

Dear Professor Kumar

I am writing to you on behalf of EducationUSA@USIEF Hyderabad based at the Consulate General of The United States of America, Hyderabad. The United States India Education Foundation (USIEF) is a bi-national organization hosting the Fulbright Commission and EducationUSA Program in India. EducationUSA is a U.S. State Department (U.S. government) program which advises students on higher education in the U.S.

As discussed over today's phone call, we would like to reach out to the students and faculties of your Institute and deliver a brief session on the "Higher Education in the US" for general awareness purposes.

Facilities required:

1. A hall or a large, covered space with seating arrangement for the audience.
2. One or Two microphones
3. A projector and screen for slides (if possible)

Please let me know if you would be interested and available to arrange this program at your institution, and we can discuss further on the date and time.

We would like participation from all the departments of your institute.

Please note: I am looping in my colleague Ms Pranitha Hemanth who will drive discussion on any possible Fulbright Session.

I look forward to hearing from you soon.

Best wishes,

Aritraa

Program Schedule: Alumni Guest Lecture for Civil Engineering

Introduction (10 minutes)

- Welcome address by the organizer
- Brief introduction of the alumni guest speaker

Alumni Speaker Presentation (40 minutes)

- Topic: **Strategic Plan to Crack GATE**
- Overview of the speaker's career journey since graduating
- Insights into the civil engineering industry
- Key projects or experiences the speaker has been involved in
- Challenges faced and lessons learned
- Advice for current students in civil engineering

Q&A Session (20 minutes)

- Open floor for questions from the audience
- Moderated by the organizer
- Encourage students to ask about specific career advice, technical aspects, etc.

Networking Session (30 minutes)

- Informal networking opportunity for students to interact with the alumni speaker
- Refreshments can be served during this time
- Encourage students to ask further questions or seek advice one-on-one

Closing Remarks (5 minutes)

- Thank the alumni speaker for their insightful session
- Encourage students to stay connected with the alumni network
- Remind students of any upcoming events or opportunities

Speaker's Manual: Alumni Guest Lecture for Civil Engineering - Topic: "Cracking the Gate"

Introduction (10 minutes):

- Begin with a warm welcome to the audience, acknowledging the significance of having an alumni guest speaker.
- Introduce yourself briefly, highlighting your background, especially your experiences related to the topic.
- Provide a brief overview of the lecture's purpose, focusing on how it will benefit current civil engineering students.

Connecting with the Audience:

- Share anecdotes or personal experiences related to your journey of "cracking the gate" in civil engineering, emphasizing challenges and successes.
- Engage the audience by asking questions or conducting quick polls related to their aspirations and concerns about entering the field.

Presentation (40 minutes):

- Start by defining what "cracking the gate" means in the context of civil engineering, explaining its significance in career development.
- Share practical tips and strategies for navigating the challenges commonly faced by civil engineering students and graduates, such as:
 - Preparing for licensure exams
 - Securing internships and entry-level positions
 - Building a strong professional network
 - Developing essential skills and competencies
- Use visuals (slides, diagrams, videos) to illustrate key points and make the presentation more engaging.
- Include real-life examples and case studies to provide concrete insights into the topics discussed.

Interactive Session (20 minutes)

- Open the floor for questions and discussion, encouraging students to share their own experiences, challenges, and strategies.

- Address each question thoughtfully, drawing from your expertise and personal insights.
- Facilitate peer-to-peer interaction by encouraging students to exchange tips and advice.

Networking Opportunity (30 minutes):

- After the formal session, offer students the chance to approach you individually for further questions or discussions.
- Provide contact information (email, LinkedIn) for students to connect with you later.
- Use this time to network with faculty members and other professionals in attendance, fostering potential collaborations and partnerships.

Closing Remarks (5 minutes):

- Summarize the key takeaways from the lecture, reinforcing the importance of resilience, determination, and continuous learning in the field of civil engineering.
- Express gratitude to the audience for their active participation and engagement.
- Encourage students to apply the insights gained from the lecture to their own career journeys and stay connected with the alumni network.

Additional Tips:

- Tailor your presentation to the audience's level of expertise and interests, considering whether they are undergraduate students, graduate students, or early-career professionals.
- Be approachable and enthusiastic throughout the session, creating a supportive and inspiring atmosphere.
- Keep the presentation dynamic and interactive, allowing for ample opportunities for audience engagement and participation.
- Incorporate relevant resources and references for students to explore further on their own.
- Follow up with the organizer after the event to gather feedback and assess the impact of your presentation.

By following this manual, you can effectively deliver a guest lecture that empowers civil engineering students to "crack the gate" and embark on successful careers in the field.
