### Appreciation Letter

I am writing on behalf of the Urban Primary Health Centre (UPHC) Boggulakunta, Abids, to extend our sincere appreciation to Methodist College of Engineering and Technology for your invaluable support and collaboration in conducting the "Kanti Velugu" free eye check-up camp on 5th May 2023.

The success of the eye check-up camp could not have been possible without the generous participation and assistance of Methodist College of Engineering and Technology. Your willingness to provide space and resources for the camp made it feasible for us to reach out to a larger section of the community and offer essential eye care services.

We extend our sincere appreciation to each and every NSS volunteer of Methodist College of Engineering and Technology for your outstanding contributions to the "Kanti Velugu" free eye check-up camp. Your dedication and compassion have made a real difference in the lives of the individuals who benefited from the camp.

We look forward to continued collaboration with NSS volunteers like you on future initiatives aimed at promoting public health and well-being in our community. Thank you once again for your exemplary service and commitment to making a positive impact on society.

Warm regards,
