NOTICE

All the student and faculty members are hereby informed that in order to strengthen and encourage research and Innovation culture among the stake holders, our institute is taking proactive steps to foster a culture of research, innovation, and entrepreneurship through the establishment of the "Institutional Innovation Council (IIC)" and the implementation of the National Innovation and Start-up Policy (NISIP). This kind of initiative can have a significant impact on the development of innovative ideas and the promotion of startups within the institution.

The approval of the Innovation and Entrepreneurship (I&E) policy by the competent authority underscores the seriousness of the institute's commitment to nurturing entrepreneurship and innovation.

Offering financial assistance for projects that result in published or granted patents can serve as an incentive for students and faculty to actively pursue innovative ideas and protect their intellectual property and you can get the document from college website under the tab NISIP or via link <https://methodist.edu.in/nisp.php>
