

5.1.3 - Capacity building and skills enhancement initiatives taken by the institution include the following

1. Soft skills, 2. Language and communication skills, 3. Life skills (Yoga, physical fitness, health and hygiene), 4. ICT/computing skills

2.LANGUAGE AND COMMUNICATION SKILLS

Student's success depends on solid communication. Career guidance, Communication skills of Engineering students basically constitute several core elements such as the fluency in English language, Visual Communication skills, English Lab etc which are a part of the academic curriculum and the college has conducted language skills through Microsoft Teams during the lockdown. These sessions were coordinated and conducted by our English faculty from H & S Dept.

During the first year, focus is on pronunciation, listening, speaking reading, writing skills.

Second year emphasis is on spoken English and Personality Development skills

Third year stresses on Soft skills, presentation skills and Interview Techniques

Fourth year focuses on CRT Program

A total of 367 students from I & II Semesters have enrolled to these classes, during the lockdown period from 22nd March 2020 to 31st August 2021, these classes have continued in online mode through MS Teams platform.
