Faculty are also encouraged to use other ICT based teaching methods to help the students gain, better grasp and proficiency in the area of study.

Microsoft Teams is a dynamic digital classroom. Through this platform,

- **Online Teaching (MS TEAMS Platform):**
  All the courses, in view of pandemic situation, have used google classroom to deliver lectures using MS Teams platforms. In some courses, especially problematic subjects, teachers delivered lectures using white boards so that problems and derivations can be taught in much efficient manner.

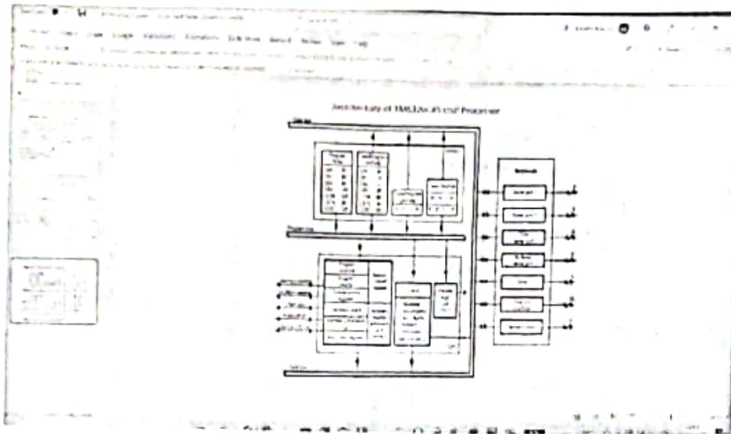

- **Power point presentations:**
  Some of the tutors delivered lectures by sharing power point presentations which involves visual slides to make their lecture much interesting.
ICT – MOU

PRINCIPAL.
PRINCIPAL
METHODIST COLLEGE OF ENGG. & TECH.
King Koti Road, Abids, Hyderabad.

- **Video Lectures:**

    In some courses, faculty have used animated videos to deliver their lectures so that students can visualize concepts in best way.

Unlike Charges

For a combination of unlike charges, there exists a mutual attraction between the charges. The field lines start from the positive charge and end at the negative charge. All the field lines are crowded near the charges.
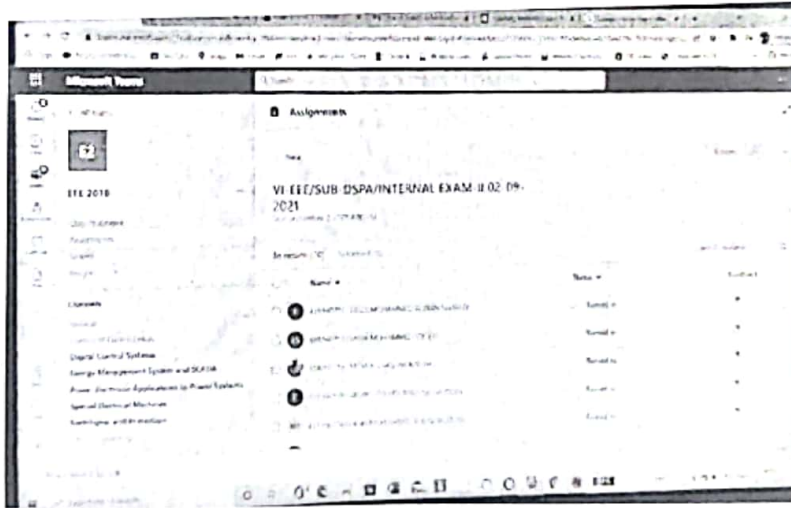

- **Mind Map Lectures:**

    Lectures using Mind Maps were delivered to students to help them note down only the most important information using key words, and then make connections between facts and ideas visually.

PRINCIPAL

- **Online Assignments:**

    All the faculty members have distributed and evaluated assignments using the Assignment tab available in this classroom in a transparent manner.

- **Online Quizzes:**

    All the course instructors have created Quizzes using MS Forms and the links were shared to students and evaluation was automatically done.
