INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Overseas Student Health Cover (OSHC)

It is an Australian Government requirement (student visa condition 8501) that all international students holding a student visa are covered by OSHC throughout their stay in Australia. If you are accompanied by a spouse (partner) or children, you are required to purchase the relevant couple or family policy.

To be granted a student visa, your OSHC must cover an additional period from your arrival in Australia, prior to your course start date, and for a minimum of two months after your course end date on your CoE. Please view the

Department of Home Affairs's Length of stay for Student visas for more information.

Deakin's preferred provider is BUPA, and you can purchase OSHC through Deakin. The OSHC rate contained in this Letter of Offer is correct at the time of offer. On an annual basis, BUPA may adjust their rates and these adjustments may affect the amount you are required to pay. Please accept your offer as soon as possible to secure this rate. If there is a change in the BUPA rate, you will be notified.

For more information about the BUPA products visit [BUPA Overseas Student Health Cover](#). You can also download a pdf of the policies for [Singles](#), [Couples](#) or [Families](#).

For further information about your health and safety whilst living in Australia, check [Deakin's Health and Safety](#) website.

Department of Home Affairs funds capacity requirements

Financial capacity requirements including cost of living, schooling for school age dependents and access to funds are outlined at [Department of Home Affairs Subclass 500 student visa](#).

Student visa condition 8516 states that you must continue to satisfy the requirements for grant of your student visa. This means you continue to have sufficient financial capacity to support your study and stay in Australia on a student visa (including your dependents).

Students may be entitled to a full or partial refund in certain circumstances.

International students are entitled to a full refund if:

12. To sustain this bursary you must maintain an academic performance of a minimum of 65% Weighted Average Mark (WAM) in each trimester of study at Deakin.
13. The bursary is only available to commencing students enrolled in an international fee paying place at Deakin.
14. If you are applying for more than one scholarship/bursary and are waiting on an outcome for a scholarship/bursary; or if your letter of offer is conditional, you should still accept this bursary. Please note that if you are offered more than one Deakin scholarship/bursary, only one scholarship/bursary will be applied to your student record when you enrol at Deakin. In most cases, the scholarship/bursary of higher value will be applied, provided you accept within the specified timeframe and/or satisfy the conditions of that scholarship/bursary (if applicable).

Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their program or course of study. The TPS ensures that international students are either able to: complete their studies in another program or with another education provider in the event that RMIT is not able to deliver the program; or receive a full refund of their unspent tuition fees within 14 working days. For more information, please visit: <https://tps.gov.au>

Refunds

Refunds of fees paid may be given in certain circumstances. To be eligible for a refund you must submit a written application to RMIT with appropriate supporting documentation and in accordance with the relevant timeframes.

If you or the cardholder(s) have requested a chargeback to a credit card or multiple credit cards previously used to pay for your deposit, then RMIT may cancel your offer or acceptance or enrolment. RMIT may inform others, including government agencies, of this information, which may result in other actions including the cancellation of your student visa.

Fee type

The fee type will determine whether a refund may be given

- **Application fees** - non-refundable; however, the amount will be credited to your account after your offer is accepted and you commence the program.
- **Material fees** - may be refunded at the discretion of the relevant teaching area.
- Tuition fees and any **OSHC fees** paid to RMIT

Refund amount

The amount of refund a student is entitled to is dependent on:

- a. the reason for the refund; and
- b. the date of withdrawal from the program and/or
- c. the date of submission of the application for refund.

For RMIT University programs (including Foundation Studies), refund requests are assessed according to the Approved Schedule of Fees and Charges.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. MANDATORY REQUIREMENTS

You are required to read this section and the more detailed **New Student Guide** sent with your Offer letter or available at <https://www.georgebrown.ca/international/accepted/nextsteps/>. For students who deferred from the previous semester, re-applied and received an offer to the January 2025 semester, you are also required to follow these steps and read the updated guide.

OTHER CRITICAL STEPS

Reset Your Password

- If you have not already reset your password, you will need to log in at <https://service.georgebrown.ca> with the Student ID and Password you received on your Letter of Acceptance, create a new password and set-up some security questions. Your new password will be valid for one year and will expire automatically every year.
- If you have problems with your password or you are unable to log in to Stu-View or you have difficulty registering for courses, please call 1-416-415-2000 or 1-800-265-2002 for help. Press option 1, then press 0 to speak to an agent directly. You can also contact <http://ask.georgebrown.ca/> for help.

Register for Courses

- **Register online** for the courses in your program at <http://stuvview.georgebrown.ca/> using your Student ID and Password. The registration start date for programs and respective semesters will be available on Stu-View on **October 28, 2024**. Online registration will start on **November 11, 2024**. Choose your courses and register as early as possible after registration opens or the course may fill up and you will not be able to take it when you want to.

Arrange for Placement Testing for English/Math

Most post-secondary students are required to take the Placement Test for English or Math or both depending on individual program requirements. There is no fee for the test.

- You are **not** required to take the Placement test if you:
 - have already taken an Admissions Assessment (test) to be admitted to the College. For students who have already taken the Admissions Assessment, the results of that test will be used to place you in the appropriate English and Math courses.
- **OR**
 - are applying for a Post-Graduate Certificate or Degree program
- Placement Testing determines if you are ready to take the college-level courses in English and/or math in the first semester, or if you need to take a foundation-level course first to further develop your skills. Therefore, the Placement Test is a very important part of your academic success. The Placement Test is not a pass or fail.
- Please check the programs requiring placement testing at <https://www.georgebrown.ca/assessment/placement/> and arrange for your Placement Test(s) through Stu-View when registering for your courses (see previous section). Plan to visit the Information about Assessment page at <https://www.georgebrown.ca/assessment-centre/testing-services/placement-assessments> to prepare, so that your test results place you in a course that reflects your skill level.
- It is best to take the Placement Test as early as possible. There is a deadline to take a Placement Test. **However, for those still outside Canada, please check your options** at <https://www.georgebrown.ca/assessment-centre/testing-services/placement-assessments> before classes start. If you do not take the Placement Test, you will be automatically placed in foundation-level courses. The last day to take the Placement Test for English & Math for students who were automatically placed in foundation course(s) is January 10, 2025 (first year students only).
- Remember, if you take the test and achieve the appropriate score on time, you may be exempted from Foundation level and go straight to College-level English and/or math. If you get this exemption, you won't have to pay extra course fees.
- If you are placed in a Foundation-level course, the course will be automatically included in your timetable (in block-based programs) or will be available for registration through your Stu-View account (in course-based programs). Your placement into a foundation-level course will not affect your start in the program and you will still take your core courses scheduled for the semester.
- Upon successful completion of your Foundation-level course(s), you will be able to take College-level English and /or mathematics course(s). **You will be charged a full course fee for the additional course(s)** when you register for your College-level course, usually in Semester 2. This fee could vary, but may range from \$1000-1500 for international students. If available, you may also be able to take an evening equivalent of this College-level course through the George Brown Continuing Education department at a lower fee. Please see here for availability: <http://coned.georgebrown.ca/>

Activate your George Brown Student E-mail Address

- Your George Brown e-mail account must be activated to receive communication from College staff and teachers at <http://www.georgebrown.ca/studentemail/index.aspx>

Attend Classes by the Deadline Date

January 10, 2025 is the last date to attend the program in January 2025. There are no extensions past that date. Students who fail to attend the first week will not be admitted into the class. If you are not able to arrive and be in class by **January 10, 2025**, you must do two things:

One, you must immediately withdraw from the program to avoid being charged one semester's fees by going to this link at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/ to withdraw and or request a refund of fees paid less the administrative charge. Complete the Withdrawal/Refund form and send to intlwithdrawal@georgebrown.ca right away.

Two, if you want to defer to the next available intake, notify your Admissions Officer immediately for instructions on deferring your program.

Deferral to a future term, however, does not guarantee you a seat as programs could already be closed due to the volume of applications already received.

Please note program deferrals to the next semester will not automatically withdraw you from already registered courses so it is very important to follow step one above.

SPECIAL NOTE ON PROGRAMS WITH WORK INTEGRATED LEARNING (WIL) COMPONENTS (CO-OP, INTERNSHIP, EXTERNSHIP, FIELD PLACEMENTS, ETC)

We anticipate that all aspects of programs will be fulfilled before graduation. Please note that the timing of when certain components are completed may shift depending on guidelines from Public Health Officials and the Government.

REQUIRED VISAS AND PERMITS (With the evolving Covid-19 pandemic, we recommend that students and applicants stay up to date with any immigration policy changes that relate to the current situation. Please visit

<https://www.canada.ca/en/immigration-refugees-citizenship/services/coronavirus-covid19/students.html>.)

Study Permits

- A valid Study Permit (Visa) must be obtained at the Canadian Consulate/Embassy nearest you to study at George Brown College. Students currently holding a study permit/visa and transferring from high school/secondary are now allowed by IRCC to study at post-secondary institutions as long as the Study Permit is valid.
- All Study Permit applicants must record the George Brown College **Designated Learning Institution (DLI) Number** O19283850612 on their study permit applications. (Note that the first character of the DLI number is a capital letter O and not a zero).
- International students are now required to **submit a copy of their Study Permit electronically** to the International Centre. Please visit applynow.georgebrown.ca/International/studypermitupload to upload a copy of your study permit and enter a few pieces of information from your permit. You will receive a notification once it has been accepted by International Centre staff.

Work Permits

- International students who are undertaking any kind of field education, regardless of length, paid or unpaid, must have a valid co-op work permit, which can be applied for at the same time as your study permit.
- The work permit is a document required by Immigration, Refugees and Citizenship Canada (IRCC) before you can start your field placement, work placement, externship, practicum or volunteer work, even if they are unpaid.
- For programs that require clinical placements or internships involving healthcare settings and or interaction with families, the elderly and children in Canada, students applying for a Study Permit and/or Work Permit are required by the Canadian Consulate/Embassy to undergo a medical exam by a Panel Physician. Students must complete this exam at the time that they apply for their study permit and/or work permit.
See <https://www.canada.ca/en/immigration-refugees-citizenship/services/application/medical-police/medical-exams.html> for more information.
- Medical exams performed by a Panel Physician are valid for up to 12 months. If you completed a medical exam for your visa application and it is still valid, you may be able to submit proof of this medical with your application for a co-op work permit. The IRCC medical exam is in addition to completing the mandatory program-specific pre-placement health forms which may be required by your academic department (see <http://www.georgebrown.ca/preplacement> for details).

Additional Medical and Police Clearance Required

- For clinical/work placements for **Community Services & Early Childhood, Health Sciences, H402 (Food & Nutrition Management) and H119 (Culinary Management-Nutrition)** and other programs, if placed in a health care setting) and other programs, you are required to complete a separate medical exam upon arrival in Ontario.
- Some programs require a **Police Vulnerable Sector Check (PVSC)** in Ontario before any placements can begin. Please see <http://www.georgebrown.ca/preplacement> for details.
For any questions on these additional requirements, contact Suzette Martinuzzi at 1-416-415-5000 ext.3415 between 8am-4pm or by e-mail at smartinu@georgebrown.ca. Students in Early Childhood Programs should email ece@georgebrown.ca for their Pre-Placement requirements.

Custodianship Document

- A valid Custodianship document is required for students who are 17 years old or younger at time of entry to Canada. Please refer to <https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare/minor-children.html#toc1>

HOUSING INFORMATION

- GBC has a dedicated institutional team available to provide assistance in finding suitable housing in the community. Please reach out to us at housinginfo@georgebrowncollege.ca for more information or visit us at: <https://www.georgebrown.ca/current-students/services/housing>

WITHDRAWALS & REFUNDS

- **If you are unable to come to the College due to visa processing delays, visa refusal or for various other reasons**, you must inform the International Centre at intlwithdrawal@georgebrown.ca (in writing with supporting documents) on or before **January 17, 2025** to avoid being charged the full fees for one semester. A **Withdrawal/Refund Form** must be completed and is available online at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/. Send the completed form to intlwithdrawal@georgebrown.ca.
- A minimum \$1,000 non-refundable fee will be charged for withdrawal and refund if form is submitted before the deadline (\$100 for visa refusal with visa refusal letter attached). Otherwise you will be charged the full semester's fees.
- Please note program deferral requests to your Admissions Officer to the next semester will not automatically withdraw you from already registered courses. You must inform the International Centre before January 17, 2025 to be withdrawn from registered courses to avoid being charged the full semester's fees. Please go to this link at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/ to complete the form and send it to intlwithdrawal@georgebrown.ca before the deadline.
- Deferral to a future term does not guarantee you a seat as programs could already be closed due to the volume of applications received.
- Refund requests for submitted fee payments whose acceptance to programs were expired or revoked for non-confirmation by the offer expiry date will be charged a non-refundable \$100 administrative fee
- Fee payments made originally by credit card can only be refunded to the same credit card used. George Brown College is not liable for any disputes arising from use of another person's credit card and must be resolved between the applicant and credit card holder. Fee payments from overseas received by electronic bank transfer will be returned only to the originating bank account.
- Refunds are made in Canadian currency and, therefore, the final amount that you may receive will depend on the foreign exchange rates at the time the refund is processed. The College is not liable for loss of funds due to currency exchange.

If you have any questions, please contact **International Admissions** at intladmissions@georgebrown.ca
We look forward to seeing you in January 2025!
