50	No suggestions
51	No suggestions
52	Focus on interactive classes
53	Nope
54	Tight scheduling for exams going to increase the stress of students
55	Tight scheduling for exams(continuation of exams) may increase sterr.
56	The institution needs to focus on involving more physical activities such as sports
57	Sports should be given more importance.
	More in-depth knowledge about courses should be involved and internships ,college events ,technical teaching stuff should be
58	included more
59	Please be more interactive. Don't stress students.
60	Everything is good
61	Teachers are good
62	Extending more practical sessions
63	Through ppt they are reading just and not explained
64	Excellent teaching skills of staff members

65	Teachers are friendly and they are clarifying every doubt, teaching lessons very thoroughly		
66	Need to communicate with boys also.		
67	Give preference for practical sessions		
68	Good		
69	Be friendly with your students and create a proper atmosphere and social climate Thank you!		
70	Satisfactory		
71	No, Everything is fine.		
72	Everything is good but i personally feel that faculty should support very strongly. Overall i am decently happy		
73	Nothing		
74	no		
75	All good		
76	No		
77	The facilities are good at teaching we students are not good learning.we want to learn get teach briefly about topics.		
78	Good		
79	None		
80	Good		
81	Need more improvement		
82	very good		
83	College is Excellent		
0.4	i think the college needs to focus more on its academic standard rather than focusing solely on rules and regulations. while the latter is also important, there is no value in discipline without proper		
84	education.		
85	College can make many more changes.		
86 87	More Patrice on technologies Nothing		
88	I want faculty to explain more easily and conceptually

98	For better experience, these suggestions will be valid classes should be upto 45min max. to have better focus		
99	2. sports must be included		
100	3. there should not 2 classes continous for 2 periods		
101	Good faculty but no extra curricular activities		
102	It is good enough		
	(1) It would do a great deal of benefit if the faculty wouldn't judge a student based on their grades alone. Sometimes students good at doing more projects or learning practically than just cramming notes.		
103			
104	(2) The infrastructure in my department is quite out-dated. The system's still run on Windows 7 or Windows XP with faulty hardware.		
104	Everything is fine No remarks		
105	Everything is fine No remarks		
106	Overall performance is Good		
107	Be friendly with students, identify, understand their problems. Teach the students programming and skills in doing projects and for campus placements and take some special care about students who are having backlogs and teach the classes to clear backlogsand don't teach students just for passing exams.teach in a way that we can gain knowledge.		
108			
109	More perfection		
110	No		
111	Very good
