Subject: Requirements for CAD/CAM Lab (MDM Lab - III sem, CAE Lab - VII Sem)

Respected sir,

I would like to bring to your kind notice the status of CAD Lab in the Department of Mechanical Engineering.

S No	Name of the Item	Quantity	Remark
1.	Total capacity	72	As per seating arrangement
2.	Working Systems available	27	Specifications: i3 processor   8 GB RAM   500 GB HDD AMD Radeon HD 5450
3.	Systems sent for repair	3	Hardware Problem <i>[arrow]</i>

I would like to bring to your kind notice that we purchased 60 licenses of Solidworks 2020.

- Our systems do not meet the minimum specification requirement & systems are crashing except for very simple models.
- Minimum 35 systems are required to conduct lab for one batch (Half the strength).

In view of the above, we request you to order at least 8 new systems (including replacement for hardware problem systems) and upgrade the existing systems with below specifications to support Solidworks 2020 and ANSYS softwares.

- Processor: i5 minimum (i7 recommended)
- RAM: 16 GB minimum
- Graphic Card with 4GB RAM minimum

Thanking you,

*Forwarded to the principal  
for consideration.*
