MEMORANDUM OF UNDERSTANDING
BETWEEN

METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY
AND
SKILLDZIRE TECHNOLOGIES PRIVATE LIMITED

This Memorandum of Understanding (MOU) establishes a type of partnership between **SKILLDZIRE** and **METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY**.

MISSION:

SKILLDZIRE TECHNOLOGIES PRIVATE LIMITED is India's largest Real time learning platform where students get trained by industry experts along with certifications in domain of Electrical & Electronics Engineering.

METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY ensures high standards to educate, enrich and excel the professional Programs, by eminent faculty who endeavors to mold the students into socially responsible professionals through creative team work, innovation and research.

Together, we enter into this Memorandum of Understanding to promote **PLACEMENTS, INTERNSHIPS, WORKSHOP'S AND PROJECTS**. Accordingly, **SKILLDZIRE** and **METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY** operating under this MOU agree as follows:

PURPOSE AND SCOPE:

SKILLDZIRE TECHNOLOGIES PRIVATE LIMITED and **METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY** describe the intended results or effects that the organizations hope to achieve, and the area(s) that the specific activities will cover.

Benefits to METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY:

- Workshops FDP's
- Internships
- Real time projects Industry visits
- Core job-oriented training
- Certifications
- Placements

This Memorandum of Understanding (MoU) is entered into as on date **25th April 2023** (Tuesday) by and between above said parties.

In consideration of the mutual obligations herein contained, the parties agree as follows:

Objective & Scope of Engagement:

This MoU creates a framework for setting up of a joint Training, Research & Technology Development Centre herein termed as **“CENTRE OF EXCELLENCE in INDUSTRIAL IoT”** to provide a platform for exploiting state of the art technology, providing Technical Training, Development of Intellectual Property and providing facilities for the development of products and solutions in specified domains.

1. This MoU also intends to explore and understand mutual interest in the fields of research, training and development and interaction with students to disseminate knowledge and exposure to industry.
2. And to strengthen the industrial training environment and relevant industrial certifications for the students and the faculty members of Methodist College of Engineering & Technology, Hyderabad in specialized domains of **Internet of Things (IoT), Industry 4.0, Industrial IoT (IIoT) & IoT Security** by PRAGYATMIKA through exchange programs.

About PRAGYATMIKA

PRAGYATMIKA having its registered office at Ghaziabad, Uttar Pradesh, India is a young organization involved in Research & Design Activities for OEMs, Specialized Training and Development programs for Professionals and Students, Consultancy to the Manufacturers and Business Owners in the domain of latest of Intelligent Electronics Technologies e.g. Industrial IoT, IoT Security, Artificial Intelligences, IoT Cloud, etc.

PRAGYATMIKA strives to shape the future of technology, ease the human efforts and create the better intelligent world we live in together with the next generation of innovators. They offer online training programs and live trainings on various cutting edge NextGen technologies and platforms. They offer online trainings on Battery Management systems for Li-Ion, Li-Ion Battery Pack, C

Programming Tutorials for Beginners, JavaScript – Full course for Beginners, TSN and Ethernet, Embedded Control Systems, Artificial Intelligence, Machine Learning, IoT & Industrial IoT, etc., apart from various other courses. They offer their training programs through Live Trainings, Physical In person Trainings integrated with their own Learning Management System (LMS).

PRAGYATMIKA is currently working with many prominent Universities for the delivery of Technology and Training in their specialized domains in countries like India, Greece, USA, Germany, South Africa, Nigeria.

They also have a Research & Development & Inhouse Design House (IDH) wings which does lots of Design Projects for Industry OEMs. The research and development work are primarily focused towards Indigenous electronics technology development for the various of domain like Industrial Electronics, Automotives, Medical Instrumentation, Pollution Control and Monitoring, Lighting and Visual Applications, Power Electronics, etc.

About Methodist College of Engineering and Technology:

Methodist College of Engineering and Technology (MCET), Hyderabad is NAAC Grade A+ Non-Minority Engineering Institution. The organization was established in year 2008 on a sprawling 5.0 acres campus of Abids, Hyderabad. The college provides a serene and tranquil environment to the students boosting their mental potential and preparing them in all aspects to face the global competition with a smile and emerge victorious.

The MCET is approved by AICTE, New Delhi and affiliated to Osmania University, Hyderabad. The college is accredited by NAAC grade A+ and all undergraduate B.E. Programs are accredited by NBA. The UGC has granted autonomy to the college for ten years with effect from Academic Year 2021-2022. The MCET has been established with the support of executive board of Methodist church in India that has been gracious and instrumental in making the vision of an engineering college a reality.

Roles & Responsibilities:

Logo Usage, trademarks, and Guidelines:

Methodist College of Engineering & Technology (MCET) can use PRAGYATMIKA Logo for internal and external marketing of any of the programs offered in partnership as per this MoU. However, the Methodist College of Engineering & Technology (MCET) shall not modify or tamper the logo or title in any way

Methodist College of Engineering & Technology (MCET) also allows PRAGYATMIKA to use their institution logo for its marketing and promotional purposes. And PRAGYATMIKA shall not modify or tamper the institution logo or title in anyway

Publicity:

All publicity and/or advertising in connection with this MoU shall be subject to the mutual written agreement of the Parties prior to such disclosure or publication. Neither Party shall be precluded from its normal marketing efforts in connection with the sale of its standard products and services.

No Assignment:

Neither party without the written consent of the other may assign either the benefit or the burden of this MoU.

No business solicitation

Both parties undertake that each will not during the serving period of this MOU and for a period of three (3) years from the termination of this agreement entice away or endeavour to entice away from the other party any employee of such other party, and business without written permission by the organization's authorised signatory. Each party acknowledges that the prohibition and restriction contained in this clause are reasonable in the circumstances and necessary to protect the business of the other party. Each Party will notify the other as and when such situation arises during the validity of this MOU/ Clause.

Relationship

Nothing contained in this MoU shall be deemed to constitute either party an equity partner, joint venture, or employee of the other party for any purpose. All the services that are provided by PRAGYATMIKA using their Industry Partners will be subject to the status of the arrangements between PRAGYATMIKA and its industry partners. PRGYATMIKA's responsibility will be to service the members enrolled with CENTRE OF EXCELLENCE till that time.

Duration

This MoU is at-will and may be modified by mutual consent of authorized officials from PRAGYATMIKA and Methodist College of Engineering and Technology, Hyderabad. This MoU shall become effective upon signature by the authorized officials from PRAGAYTMIKA and MCET, Hyderabad and will remain in effect for three (3) years unless otherwise modified or terminated by the parties by mutual consent. This MoU is construed as renewed for ensuing every year after the initial 3 years unless both parties mutually decide otherwise and at the same time does not extend beyond a total of maximum five (5) years. Upon separation at any point of time all the agreed obligations including delivery, payments etc., certificates will be completed.

Obligation of both the parties

Both the parties shall hold and maintain the confidential Information in strictest confidence for the sole and exclusive benefit of the Disclosing Party. Both the parties shall carefully restrict access to confidential information to employees, contractors and third parties as is reasonably required and shall require those persons to sign non-disclosure restrictions at least as protective as those in this agreement. Both the parties shall not, without prior written approval of respective parties' own benefit, publish, copy, or otherwise disclose to others, or permit the use by others for their benefit or to the detriment of the Disclosing Party, any confidential information. Both parties shall return all records, notes, and other written, printed, or tangible materials in its possession pertaining to confidential information immediately if either of the party requests it in writing.

This MoU and each party's obligations shall be binding on the representatives, assigns and successors of such party. Each party has signed this MoU through its authorized representative.

Termination:

Either party may terminate the MoU for cogent and logical reasons, by giving to the other party 90 days' notice in writing by fax or Email. The reasons may be non-fulfillment of responsibilities, operational misappropriation, financial misappropriation, Undisciplined behavioral operations and as such.

Notices:

Notices would be deemed to have been given provided they are sent in writing by registered mail and a copy of the same is faxed to either of the parties by the other party as mentioned in Centre of Excellence Operational documentation.

Party Additions:

This MOU may also involve other additional parties by mutual consent of both PRAGYATMIKA and Methodist College of Engineering & Technology (MCET), which may be added later by a written addendum to this MoU.

Entire Agreement:

This document represents the entire agreement between the Parties regarding the subject matter of this MoU and can only be amended or modified by an agreement in writing signed by the Parties hereto.

Legal Effect:

This document is not intended to impose any obligation whatsoever on either party (whether based in contract, tort or under statutory law) including, but not limited to, an obligation to bargain in good faith or in any way other than at arms' length. The parties do not intend to be bound by any agreement until both agree to and sign a definitive written contract. Neither party can rely on any promises inconsistent with this paragraph. In case of any Legal issue arising, the mitigation measures would be taken care as described in Operational Document Point No. 29. This paragraph supersedes all other conflicting language.

Signatures:

This MOU will come into effect on the day & date of signature of the representative of both parties as given:

Memorandum of Understanding

Between

METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY

And

AI-SHALA Technologies Pvt Ltd

This agreement is made on the **30th day of March 2022** between **AI-SHALA Technologies Pvt Ltd.**, an ed-tech and software development company in Artificial Intelligence with corporate identification number: U72200DL2021PTC388522 having registered office at **C-25B, Bhagwati Garden (Extn), Uttam Nagar, New Delhi-110059, India** (hereinafter referred to as **AI-Shala**) and **Methodist College of Engineering and Technology** (hereinafter referred to as **MCET**) located at **H.No: 4-1-1001/1045/878B & 3-2, King Koti Road, Abids, Hyderabad, Telangana 500001, India.**

WHEREAS the AI-Shala and MCET entered in to this Memorandum of understanding (MOU) with the spirit of mutual interest in cooperation to promote jointly the educational collaboration in accordance with the terms and conditions as mentioned herein below:

ARTICLE 1: SCOPE OF COLLABORATION

1.1 Areas of collaboration may be proposed by either institution and may include, but are not limited to:

1. Student training:

- A. Students of **MCET** who wish to get training in the programs offered by AI-Shala and meet the eligibility criteria of the program can participate in the program. The current programs offered by AI-Shala are in the areas of Machine Learning, Computer Vision, Reinforcement Learning, Deep Learning, NLP, and IoT. More programs in related areas of robotics, autonomous vehicles, etc will be added in the future. The participation in the program is subject to availability of the upcoming batch.
- B. The students will participate in the program at AI-Shala after approval from both MCET and AI-Shala. All the training programs of AI-Shala will be provided to MCET students at a discounted price depending on the terms and conditions of the respective program and the number of registrations.
- C. The discounted program registration fees need to be submitted by each participant to AI-Shala prior to the start of the course. However if there is any refund applicable by the mutual agreement will be returned back to student later.
- D. Each student accepted by the AI-Shala will be expected to participate in the enrolled training program at the same level of competency as any other student participating in the Program.
- E. The participating students will receive all benefits of the program, for example, performance-based extension for the mentorship, helping in preparing the technology of a startup etc. These benefits may vary between different training programs at AI-Shala and are subject to AI-Shala terms and conditions.
- F. AI-Shala will provide support for placement preparation of students who have registered for any of the training programs at AI-Shala. This includes sessions from industry experts, our mentors, and quizzes to evaluate the learning of the students. These sessions for interview preparations are only in the related areas of machine learning and spread over the period of one year to ensure better placement of the students for machine learning jobs.
- G. AI-Shala has many hiring partners. Many relevant companies are taking student interns from the training programs of AI-Shala. **MCET** students who will enroll in training programs at AI-Shala will be considered for the interview of these internships and this opportunity will only be accessible provided they pass the evaluation criteria and there is an availability with the hiring partners.
- H. Depending on the number of registrations and mutual agreement, AI-Shala may conduct dedicated training programs or workshops in **MCET** from time-to-time and especially during the summer period. Additional benefit in the registration fee will be provided to the participants as compared to the program offered to the public at AI-Shala.
- I. Based on the interest of **MCET**, AI-Shala will conduct training for students to help them start technology startups in the relevant areas of AI & ML. This may also result in additional long-term mentorship for the startup based on the mentorship policy of AI-Shala.

- J. The registered students of any of our training programs will get career guidance support, a performance-based extension of mentorship for a research paper or a project. This benefit can be availed for the next year after the completion of the training program.
- K. AI-Shala is currently working on various AI projects such as Virtual Trial Room and Fashion Analysis, Vision for Blind assistance, and Fitness Activity Analysis. Students who have qualified our selected training programs with distinction are eligible to join AI-Shala in these projects as Software developer interns based on the availability of the project requirements of AI-Shala.

2. Research collaboration:

- A. Based on mutual interest, there can be research collaboration in the areas of mutual interest. Details shall be specified in the particular written agreement for each collaboration.
- B. The research collaboration can extend to both faculty and students of MCET where mentors from AI-Shala will help in conducting top-class research in the relevant areas from this collaboration. This may result in a research paper. The name of AI- Shala mentors can be used only after consent from AI-Shala for research papers or any other document related to the collaboration.
- C. The registration fee of the conference/journal will be as per the agreement signed before making collaboration for the project.

3. Other collaboration:

- A. Both AI-Shala and MCET will promote and facilitate exchange programs for each other for training in the areas of AI & ML. For example, spreading awareness of the training for the students of the respective party.
- B. Both AI-Shala and MCET can also collaborate after mutual agreement to conduct workshops/summer schools/FDP/EDP/TEDP or other relevant programs for students/faculty of other colleges. The terms of partnership will be discussed as per the requirement of the program.
- C. The dedicated FDP for your faculty can be conducted based on mutual agreement. In any case, for every 30 student registrations from your institute, we will provide the registration of one faculty free of cost.

4. Other benefits:

- A. Free registration to all programs of AI-Shala for a student who has successfully qualified at least one training program of AI-Shala with distinction. This benefit can be availed for a duration of up to 90 days from the date of completion of the first training program.
- B. Additional sessions may be given to all your students from industry experts or our mentors on career guidance, higher education in AI & ML, how to pursue research in the relevant areas of AI & ML. These sessions will be given near the end of an academic session and are subjected to availability of speakers/mentors.
- C. Additional invited lectures or seminars can be conducted by AI-Shala based on

mutual agreement.

D. MCET should provide at least 50 students in an academic year to get the above mentioned free benefits

1.2 Any specific activity developed under this MOU shall be detailed in a subsequent agreement, signed by each party's authorized signatory, which will describe the scope of the proposed activity, intended outcomes, budget, and responsible departments or individuals.

1.3 All activities shall be subject to the availability of funds and the approval of each party's authorized representatives.

1.4 The programme will be conducted by online mode only. If the programs are required to be conducted by offline mode then they will only happen after mutual consent and agreement.

1.5 MCET's academic department (or the person responsible to do so) will spread the awareness of AI-Shala's training programs among their students. AI-Shala in return will give additional benefits to MCET (as mentioned above) provided all terms are met.

1.6 AI-Shala is entitled to use your institute's name on its website to show you as a partner institute. The company will inform the institute about using its name at other places.

ARTICLE 2: DURATION AND EVALUATION

2.1 This MOU shall be in effect for a period of **2 years** from the last date of signature. Either party may request termination of this agreement, in writing, ninety (90) days prior to the proposed termination date. Any activities in progress at the time of termination shall be permitted to conclude as planned unless otherwise agreed in writing.

2.2 A joint evaluation of the MOU will be initiated by the designated representatives six (6) months prior to the expiration date. Following the evaluation, the MOU may be renewed and resigned for an additional two (2) year period.

2.3 Amendments to this MOU may be requested, in writing, by either party and approved by the authorized signatories.

2.4 Notwithstanding anything contained in this memorandum of understanding (MOU) AI-Shala shall have all the rights to safeguards their rights. For any indemnification, AI-Shala will not be responsible whether directly or indirectly.

ARTICLE 3: NON-DISCRIMINATION

The parties agree not to discriminate on the basis of religion, race, creed, national or ethnic origin, sex, age, handicap, political affiliation, sexual orientation, disability or status as a veteran.

ARTICLE 4: COMPLIANCE WITH LAW

The parties specifically intend to comply with all applicable laws, rules and regulations as they may be amended from time to time. If any part of this Agreement is determined to violate federal, state, or local laws, rules, or regulations, the parties agree to negotiate in good faith revisions to any such provisions. If the parties fail to agree within a reasonable time to revisions required to bring the entire Agreement into compliance, either party may terminate this Agreement upon thirty (30) days prior written notice to the other party.

ARTICLE 5: FORCE MAJEURE

In the event students are unable to complete the Program due to causes beyond the control of Al-Shala, including, but not limited to: acts of God; war; acts of the government; fires; floods; epidemics; quarantine restrictions; strikes, labor disputes or work stoppages; transportation contingency; and freight embargoes; other catastrophes or any similar occurrences beyond Al-Shala's reasonable control, MCET /Al-Shala may assist the affected students in finding an alternate site to complete the Program.

ARTICLE 6: USE OF NAME

None of the parties shall use the name, logo, likeness, trademarks, image or other intellectual property of either of the other parties for any advertising, marketing, endorsement or any other purposes without the specific prior written consent of an authorized representative of the other party as to each such use.

ARTICLE 7: INDEPENDENT CONTRACTORS

Each party is separate and independent and this Agreement shall not be deemed to create a relationship of agency, employment, or partnership between or among them. Each party understands and agrees that this Agreement establishes an independent contractor relationship and that the agents or employees of each respective party are not employees or agents of any other party.

ARTICLE 8: SEVERABILITY

The provisions of this Agreement are severable, and if any provision of this Agreement

is found to be invalid, void or unenforceable, the remaining provisions will remain in full force and effect.

ARTICLE 9: WAIVER

The waiver of any breach of any term of this Agreement does not waive any subsequent breach of that or another term of this Agreement.

ARTICLE 10: ASSIGNMENT

No party may assign this Agreement or any rights or obligations under this Agreement to any person or entity without the prior written consent of the other parties. Any assignment in violation of this provision is null and void.

ARTICLE 11: GOVERNING LAW

That this Agreement shall be governed and interpreted by the laws of India. Any dispute or difference whatsoever arising between the parties out of or in relation to the construction, meaning, scope operation or effect of this MOU or the validity or the breach thereof shall be settled by the sole arbitrator appointed by the Al-Shala as per the Arbitration & Conciliation Act, 1996 and the jurisdiction will be Delhi.

ARTICLE 12: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties as to the subject matter hereof and supersedes all prior discussions, agreements and undertakings of every kind and nature between them, whether written or oral, with respect to such subject matter. This Agreement may subsequently be modified only by a written document executed by both the parties.

ARTICLE 13: Employment of others

The Al-Shala will not be liable to MCET for any prior authorization before entering into employment or business contracts with other parties during the course of the agreement. Such agreements shall stand independent from this MoU between Al-Shala and MCET.
