**BACHELOR OF ENGINEERING**

**ANNUAL REPORT**

**(Academic Year 2023 - 24)**

**DEPARTMENT OF CIVIL ENGINEERING**

## **VISION OF THE INSTITUTION**

To produce ethical, socially conscious and innovative professionals who would contribute to sustainable technological development of the society.

## **MISSION OF THE INSTITUTION**

- To impart quality engineering education with latest technological developments and interdisciplinary skills to make students succeed in professional practice.
- To encourage research culture among faculty and students by establishing state of art laboratories and exposing them to modern industrial and organizational practices.
- To inculcate humane qualities like environmental consciousness, leadership, social values, professional ethics and engage in independent and lifelong learning for sustainable contribution to the society.

## **VISION OF THE DEPARTMENT**

To evolve into a centre of excellence for imparting holistic civil engineering education contributing towards sustainable development of the society.

## **MISSION OF THE DEPARTMENT**

- To impart quality civil engineering education blended with contemporary and interdisciplinary skills.
- To provide enhanced learning facilities and professional collaborations to impart a culture of continuous learning.
- To involve in trainings and activities on communication skills, teamwork, professional ethics, environmental protection and sustainable development.
