ANNUALREPORT

(Academic Year 2023 - 24)

**DEPARTMENT OF COMPUTER SCIENCE AND
ENGINEERING**

VISION OF THE INSTITUTION

To produce ethical, socially conscious and innovative professionals who would contribute to sustainable technological development of the society.

MISSION OF THE INSTITUTION

- To impart quality engineering education with latest technological developments and interdisciplinary skills to make students succeed in professional practice.
- To encourage research culture among faculty and students by establishing state-of-art laboratories and exposing them to modern industrial and organizational practices.
- To inculcate humane qualities like environmental consciousness, leadership, social values, professional ethics and engage in independent and lifelong learning for sustainable contribution to the society.

VISION OF THE DEPARTMENT

To become a leader in providing Computer Science & Engineering education with emphasis on knowledge and innovation.

MISSION OF THE DEPARTMENT

- To offer flexible programs of study with collaboration to suit industry needs
- To provide quality education and training through novel pedagogical practices
- To expedite high performance of excellence in teaching, research and innovations.
- To impart moral, ethical valued education with social responsibility.
