ANNUAL REPORT

(Academic Year 2024 - 25)

**DEPARTMENT OF COMPUTER SCIENCE
AND ENGINEERING**

VISION OF THE INSTITUTION

To produce ethical, socially conscious and innovative professionals who would contribute to sustainable technological development of the society.

MISSION OF THE INSTITUTION

- To impart quality engineering education with latest technological developments and interdisciplinary skills to make students succeed in professional practice.
- To encourage research culture among faculty and students by establishing state of art laboratories and exposing them to modern industrial and organizational practices.
- To inculcate humane qualities like environmental consciousness, leadership, social values, professional ethics and engage in independent and lifelong learning for sustainable contribution to the society.

VISION OF THE DEPARTMENT

To become a leader in providing Computer Science and Engineering education with emphasis on knowledge and innovation

MISSION OF THE DEPARTMENT

- To offer flexible programs of study with collaborations to suit industry needs.
- To provide quality education and training through novel pedagogical practices.
- To expedite high performance of excellence in teaching, research and innovations.
- To impart moral, ethical values and education with social responsibility.

✓ Student club and organization achievements

Club / Organisation	Achievement	Description	Date	Remarks
Google Developer Groups On Campus - MCET	Conducted Build with AI Event	Build with AI Event conducted to introduce Generative AI with practical demonstrations and Cloud Fundamentals and Cloud services provided by Google.	30-10-2024	
Google Developer Groups On Campus - MCET	Successfully organised Gen-AI Study Jams Campaign	A campaign powered by Google SkillsBoost Platform and Hack2skill was successfully organised for students of Methodist. This campaign provided credits worth \$300 or roughly 26000 INR to each student for free. These credits allowed the students to gain hands-on experience on Generative AI services and Cloud Fundamentals through the labs available on the Google SkillsBoost platform. 219 students participated in the Campaign and 38 students managed to obtain 15 skill badges.	30-10-2024 till 18-11-2024	
Google Developer Groups On Campus - MCET	Organised Online Guidance Sessions for Study Jams Campaign	Online interactive sessions were conducted for all participants of the Campaign, guiding them through each skill badge and lab. Students were encouraged and each doubt was personally handled by each member of the team. Resources and materials were also provided on community channels such that students who missed the session could follow along and complete the labs.	3-11-2024 till 14-11-2024	
Google Developer Groups On Campus - MCET	Successfully organised the Solutions Challenge	Organised Solutions Challenge, an online national-level hackathon powered by Google and managed by Hack2skill. 39 teams from MCET registered and 2 projects were selected for round 2 of the hackathon.	6-1-2025 till 22-6-2025	
Google Developer Groups On Campus - MCET	Conducted Web Development Workshop	An online Web Development Workshop was conducted for the students by the Web Development team to familiarize the students with the fundamentals of web development. These sessions covered the basics and built on those allowing students to maintain a strong foundation and gain further knowledge on Frameworks such as React.js and Node.js. These sessions were recorded and uploaded on the youtube channel of GDG On Campus – MCET, allowing all students to access these videos.	14-2-2025 till 24-2-2025
