2 students from ECE did not attend the program.

The following feedback/ report was submitted by Mr. Ganesh, 3rd Year CSE student:

- Students reported to the company Deloitte at Hitech City at 9.30 AM.
- Interaction & introduction with the students of other colleges.
- Mr.Vinay of Deloitte shared his industry experience and explained the need to work as a Team, to learn new things always. He told about what important things companies expect from Freshers – their attitude, communication, teamwork & active learning skills.
- Mr.Priyanka of Deloitte explained about the industry scenario and the emerging technologies that Freshers need to equip themselves.
- After lunch break, Mr.Ranjith of Deloitte discussed about Email Etiquette, Resume Writing & Interview Skills. A role-play on interview was also conducted with students' participation. It was completely an interactive session and students clarified many doubts and asked questions.
- In the closing ceremony, each student was presented with a laptop bag, a photo frame of all 120 students & speakers of the day, and also a participation certificate.
- It was a wonderful program and a great industry interaction/ learning experience for all of us. We request the college Management to organize many such useful activities in future again. Thank you.

Dear Sir,

As per the update given by Digital Lync regarding Internship offers to our CSE 3rd year students, the company had conducted Talent Test during Industry Visit by these students on 5th April. The qualifying score prescribed by the company to get Internship offer was 70% in this Test. The company was ready to give at least 4 offers. However, none of these 35 students secured the required eligibility score & the company could not provide any Internship opportunity.
