

## Workshops / Seminars Conducted During Academic Year 2017-2018

Serial Number	Year	Name of the workshop/ seminar	Date From – To	Department
1	2018	Seminar on 1. Case study-Hands on practice on NX-CAM package 2. Converting 2D drawing into 3D Model 3. Generating process plan 4. Generating tool path and CNC code using NX CAM software By J.Sai Chandra Senior Design Engineer, RamTech Engineering Services	20-03-2018	Mech
2	2018	Seminar on Applications of Computer Aided Manufacturing In Machine Tool, Defence, Automobile & 3D Printing with CNC Machining By Dr.L.Siva Rama Krishna Associate Professor, Uni. Collg. of Engineering Osmania University	20-03-2018 date change	Mech
3	2018	Lecture on "Relevance of Management Education-International Perspective"by Dr. Rachana Kumar , Dean, California School of Management & Leadership ; Dr.R.Nagershwar Rao, Dean, DBM,OU	06.01.2018	MBA
4	2017	BSE - IPF Capital Market Awareness Program by Mr. Mirza Rafathulla Baig, Reasource Person	15.12.2017	MBA
5	2017	Seminar on Pioneering the Digital Marketing Era by Roshan Krishna,Digi Glocal,Hyd	30.11.2017	MBA
6	2017	Seminar on Drafting An Effective Resume by Mr.kiran & team, Jatka Resume Building Services	10.11.2017	MBA
7	2018	Workshop on "Android App Development" in association with MANAC InfoTech Pvt. Ltd	27th and 28th February, 2018.	CSE
8	2018	Workshop "MOOCs (Massive Open Online Courses) – Aptitude & Reasoning" in the department in assoication with TASK	15th &16th Feb, 2018.	CSE
9	2018	Two days soft skill workshop by TASK	15-16 Feb 2018	CSE
10	2018	Two day National Workshopon Civil Engineering technologies-INDUSTRIAL PRACTICES	28-03-2018, 29-03-2018	CIVIL
11	2017	Recent trends in structural engineering	6-10-2017 &7-10-2017	CIVIL

# Activity Report

A Two Day National Workshop on Computer Aided Manufacturing held on 20 – 21, March 2018. Organized by Department of Mechanical Engineering, Methodist College of Engineering & Technology, King Koti Road, Abids, Hyderabad – 500 001. In coordination with RamTech Manufacturing Industry, Phase III, IOCL, Cherlapalli, Secunderabad. 90 candidates were registered and participated in this event, comprising from state and national level

## Day 1

### Lecture I

By T.V Seshi Reddy B.E, M.Tech, Asst.Professor, Guru Nanak Institutions Technical Campus.

Overview of CNC machining:

1. Introduction to CNC machines
2. Manufacturing Methodology followed in Manufacturing Industries
3. Generating NC code manually using G-codes and M-codes

### Lecture II

By T.V Seshi Reddy B.E, M.Tech, Asst.Professor, Guru Nanak Institutions Technical Campus.

1. CNC tooling system
2. Case study-Generation of manual CNC program for milling and turning
3. Advanced CNC techniques

### Lecture III

By J.Sai Chandra, Senior Design Engineer. RamTech Engineering Services

1. Case study-Hands on practice on NX-CAM package
2. Converting 2D drawing into 3D Model
3. Generating process plan
4. Generating tool path and CNC code using NX CAM software

### Lecture IV

By Dr.L. Siva Rama Krishna, Associate Professor, University College of Engineering, Osmania University.

Applications of Computer Aided Manufacturing In Machine Tool, Defence, Automobile & 3D Printing with CNC Machining Followed by Video lectures on CNC machines

## Day 2

Industrial visit to RamTech Manufacturing Industry, Phase III, IOCL, Cherlapalli, Secunderabad, Telangana State. Where participants experience wire cut EDM, five axis CNC m/c, conventional lathe and metrological calibration tools etc. Bus shuttle service from & to college campus were arrange for all the participants and four faculty members. At the completion of industrial visit participation certificates from RamTech Industry attested by college authorities were distributed in the bus itself.

## Report On 2-day Workshop on Civil Engineering Technologies – Industrial Practices”,Organized By Department Of Civil Engineering (10-08-2018)

A Two Day National Level Industrial Workshop on “Civil Engineering Technologies – Industrial Practices” was organized by civil engineering department in Organized in Conference Hall, Block D of MCET on 28-03-2018 & 12-03-2018. Professional organizations and industries participated in this workshop along with 200 students from civil engineering department.

Experts from various organizations shared their experiences. Sri. K. Bikshapathi, Director General, National Academy of Construction (NAC), Hyderabad, Er. Abdus Samad Siddiqui, Director (INDIA), STARMASS Environment Technologies Pvt. Ltd., CA, Er. M. Murthy, Director, AARVEE Associates Architects Engineers & Consultants Pvt. Ltd., Hyd. , Er. Y. Narasimha Rao CEO, N R Consultants Pvt. Ltd., Hyderabad , Ar. Er. S. P. Anchuri Vice-President (South), Indian Association of Structural Engineers (IAStructE), Dr. Gopal Rai CEO, Dhirendra Group of Companies, Mumbai shared their experiences in construction industry.

Twelve professional organizations and industries participated. Many more experts discussed the importance of entrepreneurship. Students were exposed construction industry practices.

The workshop was coordinated by Dr.Akshay Naidu, Assoc.professor, convened by Prof.A.S.Prasad, Head-CED with the patronage of Dr. Lakshmipati Rao, Director and Prof. G.Ravinder Reddy, Principal under the chief patronage Sri K.Krishna Rao, Secretary.

Coordinator

Convener

## PARTICIPATING ORGANIZATIONS

National Academy of Construction (NAC), Hyderabad  
Institution of Engineers (IEI) - Hyderabad Centre  
Indian Association of Structural Engineers (IAStructE)  
Ready Mix Concrete Manufacturers' Assn. (RMCMA)  
Indian Concrete Institute (ICI) - HYDC  
Indian Green Building Council (IGBC) - Hyd Chapter  
Association of Structural Rehabilitation (ASTR)  
STARMASS Environment Technologies Pvt. Ltd.  
PRECA Solutions India Private Limited  
ARCADIS Consulting India Pvt. Ltd.  
AARVEE Associates  
NR Consultants & Planners India Pvt. Ltd.

## SPONSORSHIP

Main Sponsor - Rs.25000/-  
Co-Sponsor - Rs. 15000/-  
Industries / Consultants /NGOs / Government agencies are invited to sponsor the Workshop.

## REGISTRATION FEE

Industry - Rs. 1500/- (Rs.1000/-\*)  
Research Institutes - Rs. 1000/- (Rs.750/-\*)  
Academic Institutes - Rs. 500/- (Rs.400/-\*)  
Students - Rs. 300/- (Rs.200/-\*)

\* For members of any Professional Societies related to Civil Engg.  
The Registration Fee includes the working lunch on two days.No TA and DA will be paid for attending.

## MODE OF PAYMENT

All payments are to be made by demand draft payable at Hyderabad drawn in favor of **The principal, Methodist College of Engineering and Technology**, Hyderabad and sent to the Convener or online payment to Methodist College of Engineering and Technology, Hyderabad  
**AC No : 62124645585, IFSC Code - SBIN0020066 - SBI**  
**Bank Branch : Gunfoundry, Abids, Hyderabad.**

# A TWO DAY WORKSHOP on CIVIL ENGINEERING TECHNOLOGIES - INDUSTRIAL PRACTICES

28<sup>TH</sup> – 29<sup>TH</sup> March, 2018

Organized by  
DEPARTMENT OF  
CIVIL ENGINEERING

Venue : Conference Hall, Block-D

Methodist College of  
Engineering & Technology

Abids, Hyderabad-500001, Telangana,India.

In association with :

Indian Association  
of Structural  
Engineers

Ready Mix Concrete  
Manufacturers  
Association

Indian Concrete  
Institute  
Hyderabad Centre

Supported by the Student Chapters of -  
IEI - Institute of Engineers India  
IGBC - Indian Green Building Council

## ABOUT THE WORKSHOP

### Significance

The civil engineering industry is undergoing rapid changes with technological applications and reforms in practices. Rapid technological innovations are taking place in various sub-disciplines of Civil Engineering. More than ever before, there is a need for the academic community and the industry to move in synchrony to adequately equip the young and future engineers with the trending technologies and practices. This workshop is aimed for enhancing the interaction of the academic community with the industry, with an emphasis on understanding the state of the art Civil Engineering industrial practices.

### Scope

This workshop is being organized to provide a unique opportunity for continuing education in the technological developments and latest practices of the civil engineering industry. It aims to bring together civil engineers, architects, construction practitioners, builders, consultants and related experts to share their knowledge, and experience on various issues and solutions relevant to the present scenario. The workshop shall not only benefit the students, research scholars and academicians, but will also be very relevant to the practicing engineers and consultants in all fields of civil engineering.

### ABOUT MCET

The Methodist College of Engineering and Technology (MCET) is a young, dynamic and a fast growing Engineering College, located in the heart of the pearl city of Hyderabad. It was established in the year 2008. It is approved by AICTE & affiliated to Osmania University. At present the college offers four year engineering degree courses leading to the award of bachelor of engineering (B.E) in Civil engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering and Mechanical Engineering. College also offers two year P.G degree Programs in Mechanical Engineering and Business Administration. Academic

excellence of the college is reflected by the fact that two students bagged the university gold medal in recent years. Few students also figured in top 10 candidates of the university examinations. The college offers a very healthy balance of curricular, extra-curricular and social activities for the overall development of the student community.

### ABOUT THE DEPARTMENT

The department of civil engineering was established with an intake of 60 students in the year 2013. In 2014, the intake was increased to 120. The department has well qualified faculty and is equipped with excellent laboratory facilities. The student chapter of Institution of Engineers (India) was established in the academic year 2016-2017. The department has also launched the student chapter of the Indian Green Building Council (IGBC) recently. The department is very active in organizing technical events, industrial visits, workshops and conferences for the benefit of students.

### ABOUT IAStructE

The Indian Association of Structural Engineers (IAStructE) was conceptualized, constituted and registered in the year 2002 by a group of senior professional Structural Engineers from all regions of the country. IAStructE is a professional body whose membership also comprises very prominent structural engineers from India. IAStructE has a Memorandum of Understanding with Institution of Structural Engineers (IStructE), UK for mutual cooperation and professional advancement. The Association has the prime responsibility to enhance the knowledge base and professionalism amongst the engineers and to look after their interests. IAStructE promotes Initial Professional Development (IPD) and Continuing Professional Development (CPD) courses for its members and like-minded professionals practicing in general civil and structural engineering.

### ABOUT RMCMA

The Ready Mixed Concrete Manufacturers Association (RMCMA), India, is a non-profit industry organization

of leading ready mixed concrete producers from India established in March 2002. The vision of RMCMA is to make ready-mixed concrete the preferred building material of choice as the best environmental-friendly material of construction today. RMCMA strongly supports the Quality Scheme for RMC Plants as spearheaded by Quality Council of India and a large number of Member Companies plants have been certified under the QCI Scheme. RMCMA in association with NRMCA, USA, conducts Concrete Technologists India (CTI) Training & Certification Course for the benefit of industry personnel.

### ABOUT ICI

The Indian Concrete Institute, founded in 1982, is the premier organisation for concrete technologists, with leading industrialists, cement manufacturers, consultants, academicians, educational institutions and research scientists as active members. ICI has more than 12000 members attached to 38 centers and 200 Student Chapters spread all over the country. The major objectives of ICI are to spread good construction practices amongst engineers & practitioners, conduct conferences, workshops, seminars and training programs periodically. ICI has several international collaborations with reputed societies. ICI publishes a quarterly journal containing peer-reviewed technical papers and gives awards for various achievements every year.

### WORKSHOP THEMES

- Concrete and Building Materials
- Construction Technology
- Precast and Pre-stressed Constructions
- Pre-engineering Buildings
- Green Building Materials & Technology
- Structural Health Monitoring and NDT
- Structural Repair and Rehabilitation
- Transportation Infrastructure
- Data Analytics in Civil Engineering
- GIS and Remote Sensing
- Water Conservation and Harvesting
- Waste Management and Recycling

**Department of Computer Science & Engineering**

**Brief Report**

**On**

**Workshop on Android App Development in Association with MANAC InfoTech Pvt**

**Ltd**

**On 27<sup>th</sup> to 28<sup>th</sup> Feb 2018**

As per this initiative, Android App Development workshop mainly focuses on how to use Android OS for building your own android application. Only the basic knowledge of programming is required for Android App Development, you do not have to be a geek for it. The workshop will start from the basics like designing layouts and building complex layouts. Once the basics of Android are done we will begin with building Apps.

The duration of this workshop will be two consecutive days, with eight hours session each day in a total of sixteen hours, properly divided into theory and hands on practical sessions. At the end of this workshop, a competition will be organized among the participating students where each participating student will get Certificate of participation and the winners. Android App Development so that they are able to get practical hands-on training on the same and thus ultimately use this acquired knowledge to get Jobs in the ever-changing IT scenario. As per the team the workshop was executed below detailed plan

## About The Workshop

Machine learning is one of the hottest new technologies to emerge into popular consciousness in the last decade, transforming fields from consumer electronics and healthcare to retail. This has led to intense curiosity about this field among many students and working professionals.

## Objective

Main objective of this workshop is to deliver the fundamental concepts of machine learning and python. This workshop briefly expounds the booming expertise of python programming with machine learning. Upon completion of this workshop, the students will gain comprehensive understanding of Machine learning and python programming.

## Speakers

Eminent trainers from M/s. CLOUDINDOJO will be conducting hands on sessions on three days of the workshop.

## Timings:

Session 1: 09:30 AM – 12:30 PM

Lunch Break – 12:30 – 1:15 PM

Session 2: 1:30 – 4: 30 PM

Registration Fee: Rs 500/-

# METHODIST COLLEGE OF ENGINEERING & TECHNOLOGY

H.No.4-1-1001/1045/878B & 3-2, Beside Tajmahal Hotel, Behind Brand Factory, King Koti Road, Abids, Hyderabad, 500001

<p><b>ABOUT MCEET</b></p> <p>Methodist College of Engineering &amp; Technology is a Non-Minority Educational Institution, established in the year 2008, over a 55 acre sprawling campus, situated at Abids, in the heart of the city of pearls, Hyderabad (Capital city of Telangana state). The college is well connected by public transport from every corner of the city. MCEET is affiliated to Osmania University at the state level and with AICTE in the Central level. Methodist College of Engineering and Technology strives towards excellence by imparting essential technical skills as well as a holistic approach towards grooming the students into responsible, worthy citizens of the future. Life in Methodist is not just limited to the classroom-teaching, but spills beyond the textbooks to develop character and thus mould total the personality of the students to carve a niche for themselves in the society. The ultimate goal of the Methodist College of Engineering and Technology is to educate and graduate individuals who possess the technical and social competence and confidence to succeed in professional practice and advanced education, to be lifelong learners, and to exercise responsible citizenship.</p> <p><b>ABOUT DEPARTMENT OF COMPUTER SCIENCE &amp; ENGINEERING</b></p> <p>The CSE department is started in 2008 in Methodist, to provide high quality education regarding the computer concepts and languages to the students, and turn them into competent software or hardware engineers.</p> <p>Our vision is to transform our students into professional software and hardware engineers, who can render valuable services to the global corporates. Our mission relies in devising a carefully laid out plan to achieve the prospective goals.</p>	<p><b>Day wise Schedule of the Workshop</b></p> <p><b>Day-1</b></p> <p><b>Module - 1</b></p> <ol style="list-style-type: none"><li>1. **Three Days Workshop on Python& Machine Learning**

To,

Date: 04.08.2018

The Head of The Department ,  
Computer Science and Engineering,  
Methodist College of Engineering and Technology.

From,

CloudInDojo,  
Somajiguda, Hyderabad – 82.  
Website: [www.cloudindojo.com](http://www.cloudindojo.com)

Dear Sir/Madam,

Sub: Three Days Workshop on Python& Machine Learning

Greeting from CloudInDojo,

We are happy to conduct threedays'workshop on python in your college.

These are the topics we will be discussing in theworkshop.

**Objective of the Workshop:**

The objective of the workshop is to initiate the students into the world of Python, Machine Learning so that they are able to get practical hands-on training on the same and thus ultimately use this acquired knowledge to get Jobs in the ever-changing IT scenario.

<b>Workshop Information Overview</b>	
<b>Workshop Title</b>	Python& Machine Learning
<b>Length</b>	3 days
<b>Proposed Date</b>	August 8, 9, 10 <sup>th</sup>
<b>Workshop Description</b>	Complete Understanding of Python & Machine Learning

<b>Detailed Workshop Plan</b>	
<b>Schedule</b> Day 1:	Python Fundamentals: 1. Introduction of Python 2. Variables and Functions 3. String, String Conversions and Designing Functions 4. Control Statements 5. Lists, Arrays, Dictionaries, Tuples

**MOOCs (Massive Open Online Courses)**

**2-day Aptitude & Reasoning Online Workshop & Assessment by TASK**

A 2-day MOOCs Aptitude & Reasoning Online Workshop & Assessment was conducted by TASK in our college on **23<sup>rd</sup> & 24<sup>th</sup> February, 2018**, for the students of III & IV Years.

This is the TASK initiative for all students (including non-registered) to login to the above platform and utilize the resources towards Aptitude & Reasoning through regular practice & assessment. The students who have started this activity today, will be able to use the portal daily at their own time & convenience to gain command over the Aptitude skills which are essential for any recruitment process, govt. exams, entrance exams, GATE, etc.

The workshop was conducted in the Computer Labs 3,4,7,8, Ground floor, C Block.

Timings: 10.00 AM – 4.15 PM

1 Technical Coordinator & 2 Trainers from TASK have come and coordinated the program.

**Student Attendance – Day-1 – 23.02.2018**

YEAR	CIVIL	CSE	EEE	ECE	MECH	TOTAL
IV	7	16	1	8	3	35
III	4	19	2	28	4	57
Total						- 92

**Student Attendance – Day-2 – 24.02.2018**

YEAR	CIVIL	CSE	EEE	ECE	MECH	TOTAL
IV	-	5	-	-	1	6
III	-	3	2	1	4	10
Total						- 16

Sincere thanks to all concerned for the excellent arrangements and cooperation.

Special thanks to CSE dept & its faculty coordinators for providing the Labs and assisting in conducting the program.

===== Forwarded message =====

Dear Mr. Devender,

I herewith confirming the A & R MOOC's schedule at Methodist College of Engg & Tech on 23rd & 24th February, 2018.

kindly provide the required logistics :

1. Internet bandwidth upto 100mbps.
2. Uninterrupted internet for 40 min during pre assessment test.
3. Individual computer and earphones for each student, kindly ask the students to bring their smart phones with mobile data.
4. Windows OS and Google chrome browser.

Thanks and Regards,  
L.Durgadevi.

Dear Durgadevi,

I have received request from Methodist College of Engineering and Technology, to  
conduct A & RMOOC's program

In this college total number students are 202 registered with TASK.

From 3rd year total students 126 and from for 4th year 76 students.

Training schedules tentatively from 23 - 24 March, 2018.

Could you please confirm the schedule given above as soon as possible.

If dates have to be changed as per availability of the Trainer, please let us inform.

Dear Sir and Madam,

Greetings from TASK.

TASK would like to conduct MOOC's implementation program at your college for All 3rd year and 4th year TASK registered students.

We are extremely pleased to inform that we are creating a new trend of learning through Massive Open Online Courses (MOOC)s.

We are sure that you and the College management will receive it extremely well.

**A&R MOOCs Program Overview:**

1. Targeting approximately 4500 students all over Telangana.
2. Total training days : 2
3. After completing the online course, taking all the analytics(No.of hours of practice and Assessment results) of students into consideration, we shortlist 250 students and award them with certificates and complimentary gifts and move them to further training. Giving priority to these students to attend any placement drives.

**Requirements:**

1. 1 faculty member from college to help the students to go through the online content for 2 days (4 hours/day)
2. Computer facility to the students with Internet lab (min 50 system).

**Note: Kindly send me mail for confirmation for MOOC program at your college.**

Thanks for the continuous support.

Thank you Sir and Madam.

**Sincerely,**

***Guest Lecture on "Relevance of Management Education-International Perspective" for Principals, Directors & Faculty of 15-20 colleges in TS.***  
***Date: 06.01.2018***

**Venue: Methodist college of Engineering and technology-D-Block Seminar Hall**  
**Summary report**

A lecture on relevance of Management education-International Perspective was given by Dr Rachana Kumar, was given in the presence of the Dean, California School of Management & Leadership; Dr R.Nageshwar Rao, Dean, DBM,OU as the guest of honor. She highlighted the importance of Management education from international perspective and explained how Indian education can be made better by the use of various advanced technologies. She also enlightened the audience about the drawbacks that people are facing by obsolete Management educational methods that are becoming obstacles in the smooth conduct of education in India. Dr Rachana Kumar in her address, also urged the management faculty to improvise their teaching by being student friendly and empathetic to students. She also emphasized upon making teaching a two way and a participative activity. The session closed by the vote of thanks and a memento presentation to madam.

## ABOUT US

The Methodist College of Engineering & Technology is a young and fast growing Engineering College in the state of Telangana. The College offers four year degree courses leading to the award of Bachelor of Engineering (B.E.) in Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communications Engineering, and Mechanical Engineering. The College also offers courses leading to Master of Engineering (M.E.) in Mechanical Engineering.

## ABOUT ICI

The Institute which has been registered in September 1992 is a Society with headquarters in Chennai and has been in service to the industry and professionals, since then with the following objectives:

- To promote growth of concrete construction and its sub-specializations.
- To disseminate information and to arrange to train personnel for the need of changing concepts in technology.
- To collaborate with national and international agencies in creating better understanding of concrete construction technology.
- To identify R & D problems of practical relevance to concrete construction technology.
- To institute and distribute awards for outstanding achievements in concrete construction technology.
- To arrange periodical seminars and exhibitions on the subject and to arrange annual lecture series on selected topics of relevance to concrete technology.

## ABOUT THE CONFERENCE

### Significance

Rapid advances are taking place in the arena of Structural Engineering. Industry is in need of special attention towards the growing needs of the innovative Structural Engineering developments. Though rapid strides are registered in various fields in Structural Engineering, the same technologies can further be

improved by having fruitful discussions on various forums. In this context, this conference gives emphasis on state of the art of Structural Engineering practices, as on date. Keeping the above in view, and to provide a forum for exchange of information and experiences, the Department of Civil Engineering is organizing this Two-Day National Conference.

## SCOPE

This conference is being organized to provide a unique opportunity for exchanging scientific research and technology achievements accomplished by the technical community. It aims to bring together structural engineers, construction practitioners, scientists and researchers to share their knowledge, expertise and experience on various issues and solutions relevant to the present scenario.

## CALL FOR PAPERS

Research papers are invited from faculty, research/post-graduate scholars, civil/structural/design engineers, industry and R&D and practicing engineers working in different areas of Structural Engineering. Persons interested in presenting papers shall send their abstract (not exceeding 300 words) with Title, Author's Name(s), Affiliation, Name of Author for Correspondence, E-mail(s) and maximum of five keywords under any one of the conference themes. Abstracts may be submitted by e-mail or post.

## CONFERENCE THEMES

The main themes of the Conference are:

- Smart materials and health monitoring of structures
- Analysis and design of high rise structures
- Innovative construction methodologies
- Earthquake resistant design of structures
- Wind and fire resistant design of structures
- Innovative solutions in design and construction
- Repair, strengthening and rehabilitation of structures and case studies
- NDT applications in structural engineering
- Green buildings

## IMPORTANT DATES

Abstract Submission	02 September 2017
Intimation of Selected Paper	07 September 2017
Submission of Full Length Paper in IEEE format (Soft copy and two hard copies)	25 September 2017

Papers should be sent to the mail id- [rtse2017@methodist.edu.in](mailto:rtse2017@methodist.edu.in)

## SPONSORSHIP

Main Sponsor - Rs. 20000/-  
Co-Sponsor - Rs. 10000/-  
Industries / NGOs / Government agencies are invited to sponsor the conference.

## REGISTRATION FEE

Authors - Rs. 2000/-  
Delegates - Rs. 500/-  
Student delegates - Rs. 300/-  
Selected paper will be published in UGC recognised Journal. The Registration Fee includes the Conference proceedings and working lunch on two days. No TA and DA will be paid for attending the programme. Outstation participants will be accommodated in near by hotels on request.

## MODE OF PAYMENT

All payments are to be made by demand draft payable at Hyderabad drawn in favor of **The principal, Methodist College of Engineering and Technology, Hyderabad** and sent to the Convener or online payment to Methodist College of Engineering and Technology, Hyderabad  
AC No : 161602000000195,

**REPORT ON 2-DAY NATIONAL CONFERENCE ON  
RECENT TRENDS IN STRUCTURAL ENGINEERING (RTSE-2017)**

The conference “RECENT TRENDS IN STRUCTURAL ENGINEERING (RTSE-2017)” (6-10-2017 & 7-10-2017) was organized to provide a unique opportunity for exchanging scientific research and technology achievements accomplished by the technical community. It aims to bring together structural engineers, construction practitioners, scientists and researchers to share their knowledge expertise and experiences.

Inaugural keynote lectures were given by the speakers N. V. Raman Rao, Rector, JNTU Hyderabad on “Case Studies of Structural Failures” followed by another key note speaker Er. Arvind Kumar Jaiswal, Chief Consulting Engineer, EON Designers, Secunderabad on topic” A Few Recent Trends in Civil / Structural Engineering”.

In the two day workshop altogether there were three technical sessions with 15 technical papers and 8 invited papers by experts from academics and industries

The Convener of the workshop was coordinated was Prof.A.S.Prasad, Head-CED , coordinated by Dr.Akshay Naidu, Assoc.professor& Dr.S.S.Phani , convened with the patronage of Dr. Lakshmipati Rao, Director and Prof. G.Ravinder Reddy, Principal under the chief patronage Sri Krishna Rao, Secretary.

**Seminar on “BSE - IPF Capital Market Awareness Program”**

**Date: 15.12.2017**

**Venue: Methodist college of Engineering and technology-A-Block**

**Summary report**

The Department of Business Management organized a seminar on Capital Market Awareness. The resource speaker of Lotus Know Wealth (LKW) educated the students about Capital market, key initiatives of BSE, dos and don'ts of key investors, importance of annual report, e-trading and Mutual funds. This session was interesting and informative to the students as they were made aware about BSE and how trading of shares takes place in the Stock exchange.

Certificate Program on Stock Market aims to increase the efficiency of the participants associated with the capital market and to enable them to keep pace with the changing environment. This course encompasses core subjects like technical analysis, derivatives and IPO. It involves case studies which will help the students to understand better by providing practical know-how to analyse capital markets.

***Seminar on Pioneering the Digital Marketing Era***

***Date: 30.11.2017***

**Venue: Methodist college of Engineering and technology-A-Block**

**Summary report**

One-Day Students programme on “**Digital Marketing**” was organized by Department of MBA, Methodist college of engineering & Technology. **Mrs. Rani Rajan madam**, HOD of MBA welcomed the participants and Resource Persons. **Mr. Roshan Krishna & Mr. Piyush** from Wing X Agency, currently working in the Digital Marketing department.

The Seminar was conducted for 2 hours:

The first session was held by **Mr. Roshan** in which he covered the introduction of Digital Marketing domain and the necessity of digital marketing in current competitive world. He spoke about the concept of Marketing and Marketing of products and services using digital technologies. He also spoke about various types of Digital Marketing techniques which are currently being used by the industry to sell various types of products and services. Digital Marketing can be on-line and off-line and various methods of both the types were covered. The session was concluded with Q&A session.

The Second session was conducted by **Mr. Piyush** about Analytics which is being used to maximize sales. Analytics is used to find out the potential consumers and to find out where marketing is successful and where it is failure and what are the reasons for it. He covered all the fundamentals of analytics which is very necessary to enter into the Digital Marketing world. The session was concluded with Q&A session.

In the valedictory session the Resource Persons were felicitated and two students gave their feedback about the seminar.

**Seminar on Drafting an Effective Resume**  
**Date:10.11.2017**

**Venue: Methodist college of Engineering and technology-D-Block Seminar Hall**  
**Summary report**

The Effective Resume writing session for MBA I & II Years was organized by the Placement team. The resource persons for the session were **Mr. Kiran Sandilya, Marketing Head-PAN India, assisted by Phanisri Konte, Kiran Muthe, and Abhishek LAI.**

**Objective of the session:** The main objective of conducting this session was to orient students on preparing an effective Resume.

(MBA-II) Year Students **Pravalika & Sree Pooja** welcomed the guests and introduced the resource persons **Kiran Muthe**, Trainer and Mr. Abhishek Lal, freelancer Trainer & Ex HR head Accenture by reading their profiles.

**Kiran Muthe** started the session with a small activity to make students lively & active. He also motivated them with inspiring words and communicated to students preparing “A powerful and Irresistible Resume. He enlightened the students the importance of a well prepared resume when they attend an interview. He said resume is “Narration about you without your physical entry” and “Promoting yourself”. He elaborated on each and every point that is covered in the resume with sample resumes. He also explained how to write covering letter and rules to be followed for writing a resume.

**Brief Report on the**

**2-Day Soft Skills Workshop by TASK on 15<sup>th</sup> & 16<sup>th</sup> February, 2018**

A 2-day POP (Professor of Practice) Soft Skills Workshop was conducted in our college on 15<sup>th</sup> & 16<sup>th</sup> February, 2018, for the TASK registered III & IV Year students.

This is a training initiative from TASK for the registered colleges & also for ONLY the registered students, to provide industry oriented soft skills training to them and to make them confident to face the challenges in their life towards their career enhancement activities. The trainers are experienced and experts in their field from the industry who motivate the students to set their goals effectively and works towards achieving them successfully.

Total TASK registered students:

IV Year – all branches : 78

III Year – all branches : 120

**Student Attendance – Day-1 – 15.02.2018**

YEAR	CIVIL	CSE	EEE	ECE	MECH	TOTAL
IV	15	13	3	11	5	47
III	9	22	12	33	4	80
<b>Total</b>						<b>- 127</b>

**Student Attendance – Day-2 – 16.02.2018**

YEAR	CIVIL	CSE	EEE	ECE	MECH	TOTAL
IV	2	3	2	10	6	23
III	-	22	6	42	4	74
<b>Total</b>						<b>- 97</b>

The above students were divided into 3 batches:

Sl.No.	Batches	Venue:	Trainer Name
1	Batch-1 – IV Year – all branches	Seminar Hall, D Block	Mr. T.P. Kiran
2	Batch – 2 – III Year – ECE	R.No.105, 1 <sup>st</sup> floor, C Block	Mr.Bennie George
3	Batch – 3 – III Year – CSE/EEE/Civil/Mech	R.No.014, Ground floor, C Block	Dr.Srikrishna

The above 3 Trainers from TASK have handled the sessions for 2 full days, batch-wise separately.

The Trainers have covered the modules/ topics as follows during these sessions:

- ✓ Goal Setting
- ✓ Creativity – Thinking Out of the Box
- ✓ Time Management (Self Management with time)
- ✓ Interview Skills
- ✓ JAM
- ✓ Resume Preparation
- ✓ Business Communication
- ✓ Stage-fear (public speaking)

The sessions were completely interactive making the students to actively participate and come out of their shyness. Fun activities, icebreakers, role plays, group games, were conducted involving the students so that they become more confident and improve their communication skills effectively.

Sincere thanks to all concerned for the excellent arrangements and cooperation.

Special thanks to Faculty Coordinators, Student Volunteers, and to the CSE/ ECE depts for providing the classrooms to conduct the sessions.

Dear Mr.C.Shyam Sunder,

Greetings from TASK!

As a part of our ongoing TASK skilling initiatives, we are confirming the schedule for Engineer providing **Organisational Skills** Sessions at your college for two batches.

Training Dates:

15th & 16th, February - 2018.

Training Timings:

*10 AM and 4:30 PM*

Trainers Contact Number :

- 1). Mr.E.Praveen - 8008422520
- 2). Mr.Bennie George - 9963355597

We will let you know in advance in case of any change of the trainer.

We request you to be ready with the following for a smooth flow of the session:

1. Neat and Tidy Class Room with a seating capacity of about 70.
2. Projector with Good Sound System.
3. White Board & Markers.
4. Lunch and Tea for the Trainer.
5. Collar mikes or Normal mikes.

Also a request regarding help with local transport. It would be great if your college can provide as many of them are not familiar with the college locations.

If there is any cancellation of this schedule, please let us know immediately.

Please find the following attachments that need to be shared with us:

1. Attendance Sheet
2. Feedback Form
3. Authentication Letter from your College.

**Note: 1). Please ensure that all the students would attend the training since day-2 see the strength of day-1.**

**2). Requests to take 2 separate attendance sheets for two batches**

Thanks in advance for your support.

Regards  
Sridevi Guduru, TASK.
