ORIENTATION PROGRAMME A.Y. 2014-15

The Orientation Programme for B.E. I Year for the academic year 2014-15 was organised on 20th September 2014 in the college premises in front of B-block. All the newly joined students of all streams of engineering (CSE, ECE, EEE, CIVIL, & MECH) along with their parents were present for the Programme. **Mr. R.M Shriram Venkat Peddhibhotla Head (Process Improvement and PMO), Deloitte US India Consulting, Hyderabad** was the Chief Guest. The programme started with a prayer song, followed by the lighting of the lamp. The welcome address for the parents and students was given by the Principal, Dr. Giridhar Akula followed by a message by the Correspondent. The Chief Guest motivated the students to improve all kind of skills along with their education. Principal introduced all the heads of the department to parents and students. The TPO of the college gave a brief report on placements of the college and importance of communication skills for better career. Around 600 audience including parents and students attended the function. The Chief Guest was felicitated by the Correspondent, later opportunity was given to parents to ask their queries regarding the institution. The programme ended with vote of Thanks.

REPORT ON ENGINEER'S DAY A.Y. 2014-15 ARTS & CULTURAL COMMITTEE

The Methodist College of Engineering celebrated Engineer's Day on 15-09-2014 organized by the Department of Humanities & Sciences. The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. "Making Indian Engineering World –Class" was the theme of the event. This event is planned to create awareness to students and faculties on Role of engineers in making Indian Engineering World –Class. On this day Dr.A.Giridhar, Principal, MCET gave a lecture on "Making Indian Engineering World –Class". Around 200 Students and faculty members from various departments have participated.

The detailed report is given below : Inaugural function started at 2.00P.M in Seminar Hall B-block. The Inaugural function started with a prayer song sung by students. The welcome speech was followed by the lighting of lamp by the dignitaries and speaker. HOD, H&S and the Event coordinators Mrs. Aruna, Mrs.Sona welcomed the speaker , Dr A.Giridhar, Principal, MCET and the participants of the event. Events such as Essay Writing, Elocution were conducted and the students participated thoroughly in the events. Three prizes were awarded for each event.

The Engineer's day celebration was concluded with Valedictory function. Mrs Lavanya, HOD, CSE, MCET gave the vote of thanks.

Freshers' Party Report

“Fresher’s Party” in any college is an event which every student eagerly awaits from their time of admission. The 6th of December 2014 was as a memorable day in the life of every fresher of B.E batch 2018-19 at Methodist College of Engineering and Technology campus. 250 1st year and 140 II year students participated in the party. The fresher’s day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher’s day was “dress your best”. The celebration started at sharp 11 am at the seminar hall with a warm welcome of all the dignitaries present in the function. The freshers were formally welcomed into the MCET Family, the jury and other guests of honors were also introduced. Events started with solo singing performances by some of the best singers of second year. After this all the other participants of this great evening came up with their unique ramp walk in pairs. There were about 35 participants including 17 girls and 18 boys. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way. Later on the Chief guest who were famous youtubers ,Osaama and Ishaq from “The Baigan Vines” took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random questions which any one would answer. All of them enjoyed a lot. After this, all the participants came up on the stage with their hidden talent and performed one by one. Second round of performances went on very well. Two dance teams performed after this, which provided jury with sufficient time for deciding the results. The dance performance were very much exciting to watch. After the dance performance, results were declared and out of 35 contestants, 15 of them including 7 boys and 8 girls were finally selected for the final question-answer round. The jury asked some mind twisting questions and some of them were able to tackle them very well. This question round took place twice.

Arts & Cultural Committee A.Y 2014-2015 REPORT ON TEACHERS' DAY

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.”

Methodist College of Engineering and Technology celebrated Teachers' day with great gusto and gaiety on 5th September 2014. There were about 70 teachers present in the function. Students performed a scintillating cultural show to denote their love, respect, acknowledgement and recognition of the hard work put in by the teachers towards their development. The cultural show incorporated poems, songs, dance and drama. They also entertained teachers by arranging fun games for them. They indicated that, teachers play a vital role in making their pupil accountable citizens of tomorrow and wonderful human beings. They are the cornerstone of students' future and there's nothing worth enough to gratify them for their selfless service and commitment. All teachers enjoyed and appreciated the program. Program concluded with Principal's address. Principal extended his heartiest thanks to all students on behalf of staff.

REPORT ON BATHUKAMMA CELEBRATIONS-(2014-15)

Arts and Cultural Committee

The Bathukamma celebrations of Methodist College of Engineering and Technology was held on **22nd September 2014** in the college premises in appropriate manner. Bathukamma means 'Mother Goddess come alive' and the festival represents the cultural spirit of Telangana, Bathukamma festival is celebrated during Durga Navratri. we celebrated this event in the following manner. The college wore a festive look and all the staff and students were in their traditional best with silk sarees ,ghagra chowli, flashy jewellery etc. . we conducted few events for students like Rangoli and mehendi . Students from all the year were participated in the events along with to make Bathukamma all the B.E and M.B.A students all together collected the flowers like Banthi, Chemanthi, Gungupulu, thangedu pulu etc,. Mrs.Dr.Anuradha H&S Dept HOD, along with lady faculties and students decorated the Bathukamma colorfully with different flowers. Staff with students brought Bathukamma to the college courtyard and kept the Bathukamma at centre of the Rangoli. All the women gathered in large circle around it and start clapping and singing to Bathukamma Songs by circulating it by repeatedly, building a beautiful human circle of unity, love, sisterhood. This event was celebrated with full of joy and happiness as there are dance performances, music, etc..

TRADITIONAL DAY CELEBRATIONS-(2014-15)

REPORT

The Traditional Day celebrations of Methodist College of Engineering and Technology was held on **07th October, 2014** in the college premises in appropriate manner.

It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice. Event was inaugurated with lamp lightening and Saraswati pooja by Director and principal. This is followed by classical dance performance of ganesh vandana by Kartikee and Nidhi. Director addressed the gathering and explained the richness of Indian culture and traditions.

The celebrations were followed by cultural programmes where the ECE third year students had a blast showing their talents on the stage which included ramp walk, dances and skits. Students were completely in their high traditional competitive spirit. Their inner creativity and potentialities were driven through these traditional competitions. Prizes were given to winners by Judges. In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India. The program was concluded with vote of thanks and National Anthem of India.

Sports & Games Cell A.Y 2014-2015

Sport Week Report

With the intention to see the hidden talents of Methodist College of Engineering and Technology, Sports week was organised from 25th Feb 2015 to 10th March 2015. The Principal Dr Giridhar Akula declared the sports weeks open on the 25th Feb 2015. The Sports Committee consisted of the Cell Coordinator and the committee members from the teaching and learning fraternity.

The sports were held from 3:00 pm to 6:00 pm or even beyond that at times every day in order to make sure that the students don't miss out any class work. This was also done to make sure that all the students actively participate in the sports of their interests without the fear of affecting their academic performance.

There was each team from all branches of engineering and every branch had year wise team separately to compete against each other. It was a tough decision to form the game table as few teams were not complete and the coordinators had to spare lot of time to complete the team count before fixing the matches. This was mostly in the cricket sport as cricket was the sport that had maximum team & participants.

Caroms, badminton, chess were the common events for boys and girls. Besides, football, Cricket, Volleyball for boys were other events. On the other side, Kho-kho, throw ball were interesting events for girls. Many students participated with zeal and exhibited their talents.

Besides students, all the indoor sports were conducted for faculty men and women separately. Also the male faculty played a cricket match which was an energy booster for all of them out of the stressful jobs that they do every day.

Mir Khasim Ali, International Table tennis player and Arjuna Awardee was the chief guest on 10th of March 2015 for the prize distribution ceremony. He along with Principal, Vice Principal gave away the prizes to the winners.

The Principal declared the games close followed by the National Anthem.

Event: National Science Day
Venue: Seminar Hall D Block

Date: 28-2-2015
A.Y. 2014-15

Summary Report

National science day is celebrated to mark the discovery of the Raman Effect by Indian Physicist **Sir.C.V.Raman on 28th FEBRUARY every year.** The basic objective of observation of National Science Day is to spread the message of importance of science and its application among the people. The theme for the year 2015 is "Science for Nation Building." Methodist college of Engineering and technology celebrates the National science day in a grand way. In this connection the college conducted various competition like essay Writing, Quiz competitions, elocution and Science model exhibition. Many students enthusiastically participated in all the competitions Altogether 150 students gave their names in various competitions and best students were awarded First, second and third prizes in all the events. For essay writing and elocution English faculty were judges. For quiz and Science Model exhibition physics faculty were the judges. The Program on 28th February 2016 started at 2.00 pm with a prayer song. As no chief guest was invited Director S.Venkateshwar addressed the gathering highlighting the importance of National science day and the innovation of India. Prizes were awarded to all the prize winners. The program ended with vote of thanks .
