## INTERNATIONAL YOGA DAY 2017-2018

The **International Yoga day** has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. It embodies unity of mind and body, thought and action, harmony between man and nature, a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. To work towards adopting an International Yoga Day, Methodist college of Engineering & Technology organised International yoga day on 21 June 2018 for faculty members. One hour yoga session was led by Mr. Sanjeev Chary of ECE Department teaching the faculty various Asanas. Almost 50 faculties participated in the event.

### **Teachers' Day**

Teachers Day was celebrated in the college on September 5, 2017 and the celebration began at 2pm. There were about 55 teachers present in the function. The Principal and two students offered flowers to a portrait of Dr Sarvepalli Radhakrishnan. A student then gave the audience which included both, the teachers and the students, a peek into the life of Dr Radhakrishnan through speech. This was followed by a speech by the Principal who spoke about the significance of Teachers Day. As the speech concluded, a song thanking the teachers was sung by students. Games were conducted for the teachers and prizes were distributed to the winners soon after the games concluded.

After the celebration, the students and teachers left for their respective classrooms where the celebrations continued. Games between teachers and students commenced. Before everyone dispersed, the Principal and two teachers appreciated the students' effort in organising the day so well.
