Dear Sir,

Please refer to your advertisement in THE HINDU news paper of 23rd June on the subject.

We have already participated in this work 2 years ago and hence we would request you to include our college name for the programme.

The fresh programme would start from July 15th 2016, and hence we would prefer a suitable time after this.

We have a seminar hall, LCD projector and other facilities for conducting the programme.

We have one request / suggestion.

It was reported by our students earlier that the programme was not that effective in taking the seminar thing up in high seriousness. The arrangement would like to volunteer and be associated in the delivery of the programme, in our associated colleges as listed below.

- 1) Methodist College of Engineering & Technology, Abids, Hyderabad
- 2) Sreejy College of engineering & technology for Women, Abids, Hyderabad
- 3) JNTU Institute of Engineering & Technology, Saket

The arrangement has been on the subject of "Competence India" - an initiative for engineering students in their final year 2nd semester course work and has 25 years of industry involvement and 12 years of teaching experience.

Hoping,

Yours Sincerely,

The Methodist College of Engineering & Technology

Associate Professor & TPO

A REPORT ON MENTOR TALK BY MENTOR MIND – 13 MARCH 2019

The mentoring session was held in the 'C' Block, the session started at 12:30pm. The spokesperson was Mr.Sahas Kaul, Co-founder of Mentor Mind assisted by Mr. Francis. All the students from MBA attended the session.

In the mentoring session Mr.Sahas spoke about how young college students need mentoring and how important it is for the students to be experienced and have domain expertise as it is the most sought after trait in the companies. The session also included challenges and interactive sessions where students were to answer tricky questions and interact in the activities and put forth their views and experiences.

Mentor mind is an Online platform where students can register themselves for Rs. 1000/- and take up projects (internships) which include various tasks. Upon the completion of the project the student will be rewarded with a certificate by Mentor Mind and the respective company. This certificate will be of great value while applying for internships and placements as it approves of the student's experience and subject knowledge.

Student's Feedback: The session was informative and equipped the students with the reality of the market and ways to have domain expertise.

Hello Ma'am,

I hope you are doing well.

Please find attached on this mail the detailed proposals for your institution. We've come up with two separate proposals.

1. For your MBA Dept
2. For the Engineering college

A small inference from the session and the feedback we took:

We noticed that most second year students were not interested in signing up as they were pretty much placed or on their way out of college.

On the contrary, 95% first year students showed interest in signing up with MentorMind.

Should you have any questions or concerns, please let us know.

Hope to hear from you soon. Thank you once again.

MENTOR MIND

STAY AHEAD.

MAKE WAY FOR MENTORMIND

MentorMind is an online platform which helps students and young professionals stay ahead. By providing exposure with real-time projects through collaborations with real companies under the guidance of expert mentors or Mentorships as we call them, we empower young minds to learn through experience and practical application.

The Mentorships are certified and come to a variety of backgrounds, likes accommodating a wide set of choices for students that inspire them to explore the possibilities, excitement, and most importantly, unlock their potential.

MentorMind is a unique platform that helps students get a taste of the real world through Mentorships. A Mentorship is essentially a mentored internship, where students work on key projects while being mentored by industry experts from real companies.

Upon completion of the project, the "Menterns" as the participants are called are evaluated by the mentors and the company based on their performance, skills and value addition. The Menterns meanwhile get to apply their skills on real-time projects while being guided by mentors, in companies that are otherwise inaccessible to them.

Unlike traditional internships, which are exclusive and inaccessible to students at large, Mentorships offer students, irrespective of their background, a wide range of options to explore a variety of interests and test their abilities.

What's more? Menterns can take up multiple Mentorships to strengthen their portfolio, making themselves not only employable but attractive to top companies and industry leaders.

HOW IT HELPS

WHAT IS A MENTERSHIP?

A Mentorship is a recognized and certified mentored internship, where real-time projects are co-created in collaboration with partner organizations, which are accessed and completed by students and young professionals through the MentorMind website online, which is structured and gamified, making it an interesting way to tackle industry-specific projects.

WHO ARE MENTERNs?

Students and young professionals that successfully complete a Mentorship are called Menterns. Menterns can pursue multiple Mentorships to fortify their portfolio and domain expertise.

WHY STUDENTS NEED MENTORSHIPS?

APPLICATION OF SKILLS

Students get the opportunity to apply learned skills in real-time projects, under the guidance of expert mentors with real companies. Moreover students get to choose a Mentorship with the company and industry of their choice.

EASE OF ACCESS

Unlike traditional internships, MentorMind helps students' at large access Mentorships through their easy-to-use portal without exclusivity or discrimination of any kind. Moreover, students get to choose the companies they like to Mentor with through a Mentorship and get expert guidance from quality mentors.

CROSS FUNCTIONAL INDUSTRY EXPERIENCE

Mentorships help students access multiple industries and within each industry, multiple functions. They also stand to gain a plethora of skills and gain an understanding of cross functional industry experience.

EMPOWERING STUDENTS/INSTITUTIONS/COMPANIES

Students and institutions can engage with potential recruiters through MentorMind and help build a synergistic ecosystem, where companies and institutions work together towards sustainable growth, thereby benefiting students and industries equally.

REAL-TIME WORK EXPERIENCE & EMPLOYABILITY

Certified Mentorships equip students with key industry skills, as they get to apply their untapped knowledge in real-time projects with real companies. More importantly, students are guided by expert mentors and help them hone their skills and make them industry-ready, thereby increasing employability.

THE BIG QUESTION?

IS YOUR INSTITUTION INVESTING TIME & RESOURCES TO HELP SKILL YOUR STUDENTS, SO AS TO AVOID SKILL-MISMATCH ON THE JOB?

SOME FACTS

Among every 1,000 persons, 369 graduates and 917 post-graduates were unemployed because of non-availability of jobs matching their education or skills.

Outdated higher education coupled with the economic slow-down, from 2014 to 2016, campus recruitments have gone down by 45%.

Those employed end up earning less than Rs. 10,000 a month as they do not meet the needs of the corporate world.

Only 7% of management graduates from Indian business schools, excluding those from the top 20 schools, are employable.

Domain expertise is by far the most in-demand skill required by employers.

60% of 15 lakh graduates added to India's workforce every year are not satisfied with their jobs.

BRIDGING THE SKILL GAP AND INCREASING EMPLOYABILITY

MentorMind bridges the gap between conventional learning and practical application through Mentorships, by helping students apply and test out their knowledge and skills in real-time projects for real companies. The result being students become familiar with the challenges of an ever-changing market conditions with respect to their area of study and interest. This not only helps them acquire domain expertise but also makes it easier to land the job of their choice. In fact, classroom learning has never been able to achieve as it is not only theoretical but also never in line with the needs of the market.

Completing a certified Mentorship gives students the opportunity to build a profile of certification, which also gives valuable insights into how organizations work and their behaviour that increases employability.

Response 2/4

Thank you for the invite as well as for sending agenda of your institute activities. We will be available from 12:00 noon onwards.

The Agenda for the Program duration is attached below

- Students of Mechanical Production streams of first year (1st year) will be admitted on the basis of the industry and the Tata Training Program to address the gap for journey from College to Corporate.
- The contents of the Training Program will be explained in the meeting highlighting the career prospects in core sector within India and Gulf countries.
- The Benefits for Engineering Students, the industry and the College.
- The Training and Corporate from the hands of Tata and its advantages to their recruit and qualified engineering graduates.

At least in the sessions, a Q&A session will be addressed by experts from industry who have min. 10 to 20 years experience in various large public and private sector companies and who have either worked overseas in leading and leading MNCs/leading industries.

Feedback will be collected from the candidates and the same will be reported to the Regional HQO and TAP desk.

We can speak by 11:30 AM for approx. 1.5 hrs session.

The webcast for the program: Raghunath Ravindra, Chartered Engineer, Certified Training of Tata Projects, Certified Welding Inspector and Certified Painting Inspector, 200, 1531, Level Austin and Key note speaker in industry practice workshops, has 20 years experience working in O&G, Humbered 200, Hyderabad, Tata Projects Ltd and dated several courses consisting more than 5000, 1000hrs / Auto, Trained and Certified over 2000 engineers who are now working in Gulf and large world class MNCs.

Additional Speaker: H. Shank, Man. Director, OPA Quality Services, Member of Institute of Engineers, Internationally rated works with TATA, IIT, leading water level international qualifications over 12 years of rich experience working in several countries and an expert in Oil and Gas Sector.

Best Regards,

Raghunath Ravindra

Name : Ms Siva Nagavi

From : TATA Projects Ltd.

Date of Lecture : 27.11.2016

TOPIC : IQRA Quality

Kindly give us your valued feedback on the scale of 1 to 5

(1 - Very Poor , 3 - Average , 5 - Excellent)

- 1) Selection of TOPIC – Relevance : 5
- 2) Lecture Delivery : 5
- 3) Organization of Lecture : 5
- 4) Your gaining of Knowledge from the Lecture : 5
- 5) Would you like to participate in future events ?

YES / NO / Not Sure

6) Overall Rating of the Lecture :
The lecture by Ms Siva Nagavi & Team was very informative . I could understand the gap between the theory and the industry requirements and how such training programs help to fill in .
Thank you , TPO sir and Director Sir for this opportunity.

DEPARTMENT OF CSE,

A session on

CAREER GUIDANCE THROUGH GATE EXAM

Summary report

Date: 22/08/2016

A career guidance session was organized in the department of CSE for all the branches of engineering on 22nd-Aug-2016 on "CAREER GUIDANCE THROUGH GATE EXAM." The session was organized to create more interest for the students to sustain as an engineer throughout their career and keep the students updated on various opportunities in career through GATE entrance exam.

An addressing to the gathering has been given by Mrs. P. Lavanya, HOD & Assoc. Professor, department of CSE about the GATE exam and the importance of the session. An executive, Mr. Gopala Krishna from Ace Engineering Academy has inspired and motivated the students by discussing briefly about the opportunities after the graduation. Highly motivated talk has been delivered on the procedure to choose career opportunities through the GATE and some of those are listed below.

About GATE 2017 - GATE 2017 exam will be of an advanced level. It will test your engineering and analytical abilities across various disciplines. You can choose to sit for the engineering papers of your choice from the various options available, such as Mechanical, Electrical, Electronics, Computer Science, Civil and so on.

PSU Recruitment Through GATE 2017 - An increasing number of Public Sector Units (PSU) like, BHEL, IOCL, ONGC, SAIL, NTPC, HPCL, PGCIL, BARC and over 200 more PSUs present in the country consider the GATE exam scores as a criterion to recruit engineers. The number of companies recruiting is steadily increasing and the year 2016 has seen 27 plus companies recruiting through GATE 2016. This recruitment policy seems to be in favour by many PSUs.

Opportunities through GATE 2017 - Clearing your GATE 2017 exam is a major milestone and opens the doors to lots of career opportunities. Hence, you should understand the importance of GATE and opportunities through GATE 2017. However, not many students are aware of these opportunities. There is a major misconception that after completing your MEM. Tech, teaching is the only career for you. After the GATE exam you can go for research opportunities, sponsorship opportunities and scope of foreign universities. Nothing can be further from the truth. The opportunities through GATE are endless and therefore requires carefully considering each and every option and making informed choices.

to me

Dear Sir

As per our telephonic discussion today regarding the seminar on IELTS this is to inform you that the session would be focussed mainly on the IELTS examination, its structure and benefits, also the scholarship opportunities from British Council. Session can be taken for 1 hour and after the orientation we can conduct a mock exam for your students. Thank you for giving us an opportunity to interact with your students and would really love to work with your institution.

to me: Karthik, ShaikhKhadeer

Dear Shyam Sunder,

It was a pleasure meeting you in your college last week. As per our discussion, the process of an IELTS registration centre and test centre will happen in two phases. We can initially start with setting up Methodist College of Engineering and Technology as a British Council IELTS registration centre and then move on to establish a test centre for your students. I have attached the proposal which will explain the benefits of British Council IELTS and the British Council IELTS partnership programme.

For any further clarification, please feel free to contact us.

Dear Sir

It was nice meeting you today and as discussed with you regarding the information session on IELTS for 3rd and 4th year students it would be great if a slot of one hour is given to us next week tentatively on 25th January 2018. Also as discussed with you regarding the partnership programs we can take this further with the management and the two proposals are as follows.

1. College can be a registration center for IELTS
2. College can be the exam center, conditions applied.

Thus I kindly request you to please schedule a particular timing for us.

Regards

Brief Report on the

Orientation Session & Mock Test on IELTS by British Council

Date: 03.04.2018

Time: 2.15 PM – 4.15 PM

Venue: Seminar Hall, D Block

An Orientation Session on IELTS was conducted by Mr. Khadeer Basha from British Council, for the interested students of 3rd (2019 batch) – all branches. He explained the exam pattern and various sections of IELTS such as LSRW (Listening, Speaking, Reading, and Writing). He guided the students on the process of applying for this English Language Test while planning to study abroad, requirements & tips for the exam, frequency of the Test held during the year, fee details, score requirements, and why the overseas colleges ask for this eligibility. At the end, students clarified asked few questions and clarified their doubts.

After the information session, a paper-based Mock IELTS Test was conducted. Students have taken this Test with tremendous interest and sincerity. They were very much engrossed in attempting the paper and involved deeply in the Test and enjoying the task as well.

Student attendance - 280

After the above activity in the Seminar Hall, the British Council representatives met our Secretary Sir, Director Sir & Dean Sir, and had a good interaction for some time. Secretary Sir expressed his interest to schedule this program at Stanley College also. As a token of our courtesy, Director Sir presented a Memento to Mr. Khadeer Basha.

Thanks to all the concerned staff members, Placement Coordinators & student volunteers for their help and assistance towards this program.

to me, Dhanasekaran

Dear Sir

Greetings !

It was nice talking to you . We are happy about your efforts regarding certifying your students for English Skills through Cambridge Assessment BEC Exams .

As per the discussion we had herewith I like to provide few details about the Business English exams by Cambridge University (Cambridge Assessment English) .

Business English Certificate (BEC) exam is offered by Cambridge Assessment English which is part of the University of Cambridge in the UK. BEC helps students, young professionals to improve their English communication skills and also enhance their career and employment opportunities. The BEC will test all four language skills reading, writing, listening and speaking. The speaking tests will be face to face and will be conducted by Cambridge certified examiners at your own institution.

The BEC exam features certificates at three levels, BEC Preliminary, Vantage and Higher. The certificates are aligned to the Common European Framework of Reference for Languages (CEFR) – the internationally agreed standard for describing language ability. The details:

Business English Certificate (BEC) B1 Business Preliminary: It is the first in a series of three Cambridge English Business Certificates. This qualification shows students have a level of English that is adequate for practical everyday use in a business environment. This qualification is popular among students of pursuing undergraduate, postgraduate qualification across disciplines, especially in the fields of Business Studies, Engineering and Technology, and Science students.

Business English Certificate (BEC) B2 Business Vantage: This is an upper-intermediate level qualification. Level of qualification is B2 on the Common European Framework. It shows employers that you're ready to do business at an international level.

Business English Certificate (BEC) C1 Business Higher: this level of English is required for demanding study and work settings. The level of qualification is C1 on the Common European Framework. It helps you to get the practical language skills you need to work effectively at a senior level in international business.

The above mentioned exams have two options Paper based (pen and paper test) and Computer based (online based) .

Characteristics of Functional Dependencies

- characteristics of functional dependencies used in normalization:
 - There is a *one-to-one* relationship between the attribute(s) on the left-hand side (determinant) and those on the right-hand side of a functional dependency.
 - Holds for *all* time.
 - The determinant has the *minimal* number of attributes necessary to maintain the dependency with the attribute(s) on the right hand-side.

EXAM FEES:-

Exam	Fees (Per Candidate)
BEC Preliminary	INR 3550
BEC Vantage	INR 4100

Exam Dates :-

We have different Global dates for the above exams . We will share you as discussed over phone .

For more information please visit our website <https://www.britishcouncil.in/exam/cambridge-which/business>

I hope the above information is helpful . Let me know if you have any clarifications regarding this.

Based on your confirmation I will share with you the Volume based fees details and the details of other services .

Looking forward to hearing from you and waiting to meet you for the further discussion .

Full Functional Dependency

- Indicates that if A and B are attributes of a relation, B is fully functionally dependent on A if B is functionally dependent on A, but not on any proper subset of A.
- A functional dependency $A \rightarrow B$ is a *full functional dependency* if removal of any attribute from A results in the dependency no longer existing.
- A functional dependency $A \rightarrow B$ is a partially dependency if there is some attribute that can be removed from A and yet the dependency still holds.
- A condition where A, B, and C are attributes of a relation such that dependency if $A \rightarrow B$ and $B \rightarrow C$, then C is transitively dependent on A via B (provided that A is not functionally dependent on B or C).

Date: 14-09-2017

Dear Professor,

Greeting!

Subject: Request for Permission to conduct seminar on "Preparation for gate examination-2019" for 3rd Year B. Tech students

It is my immense pleasure to bring to your kind notice that a group of IITians & NITians had founded VISHWA in the year of 2005 and have been training engineering graduates for the last 14 years to meet the requirements of various national level competitive exams such as GATE/IES/PSUs and also Campus Recruitment Training (CRT). VISHWA trains thousands of engineering graduates every year and hundreds of them are getting admitted into IITs/NITs/IITs and placed at various PSUs and other Private Sector Companies. And more than 600 students got placed in 24 various IT companies with our Exclusive CRT program.

The main objective of Team VISHWA is to reach students who have excellent capabilities to crack GATE and other competitive exams.

Dr. Muneender Erukulla, Founder and Honorary Adviser Of VISHWA, has been working hard for the last many years to motivate and guide the students of various engineering colleges in a right path so that the students can acquire enough knowledge to meet the expectations of multi-national companies both private and public sector including core and software. The profile of Dr. Muneender Erukulla has been enclosed with this letter for your Kind perusal.

In this regard, We hereby request you to give an opportunity to interact with the students of 3rd year B.Tech and Dr. Muneender Erukulla would address them on "Career Opportunities for Engineering Graduates".

The mainly focuses on the following:

1. The Job opportunities and packages in both Pvt. Sector and Public Sector Core Companies in INDIA through GATE Examination
2. Syllabus, Exam Patterns and weightage of each subject of written Tests of GATE, IES, various PSUs, and Core companies of Pvt Sector.
3. Advantages of Research and selection procedure of direct Ph. D admissions at IITs/NITs/IITs in INDIA and Abroad.
4. Motivating the students to plan their career in advance and execute their plans.
5. Guiding the students to excel in getting on on-campus and off-campus placements.
6. At the end of my presentation, I am sure that the students will get a deeper insight into their career plans.

Yours obediently,
For Vishwa Innovative Edu solutions Pvt
Ltd Mr. Anil Reddy, General Manager.

Dear Respected Late Narayana Sir,

Greetings from Seventh Sense Talent Solutions.
 As per our discussion today you have specified that you wanted TCS Specific Test. Therefore, we are going to conduct online tests for students. These tests are in activation till Tuesday 1st, on 09-02-2016. We will generate the report immediately and send it to the college.

Please find below the test procedure.

Test Procedure

Step 1: Open www.seventhsense.com

Step 2: Top right you will have an option called register. Register all your details.

Step 3: Login to the site with email id and password.

Step 4: Click on Test sense

Step 5: After that select college tests and in that go to campus recruitment tests and click on proceed.

Step 6: Next they will ask you for college test id and password. Give the test id and password which is given to you (see two such codes given below)

Step 7: You will get a page with all the instructions. Please go through all the instructions and click on start my test.

Step 8: Once the test is done click on submit my test. Score card will be appeared.

Step 9: We will send the test report of all the students who attended the test.

Test Codes:

1. Test ID - College Test ID - quant2 and password- quant2

2. Test ID - College Test ID - quant3 and password - quant3

Note: College Name is Already there in the list, so please directly select the college.

DEPARTMENT OF CSE

A session on

CAREER GUIDANCE THROUGH GATE EXAM

Summary report

Date: 18/09/2018

A career guidance session was organized in the department of CSE for all the branches of engineering on 18th-Sep-2018 on "CAREER GUIDANCE THROUGH GATE EXAM." The session was organized to create more interest for the students to sustain as an engineer throughout their career and keep the students updated on various opportunities in career through GATE entrance exam.

An address to the gathering has been given by Mrs. P. Lavanya, HOD & Assoc. Professor, department of CSE about the GATE exam and the importance of the session. An executive, Mr. Gopala.krishna from Ace Engineering Academy has inspired and motivated the students by discussing briefly about the opportunities after the graduation. Highly motivated talk has been delivered on the procedure to choose career opportunities through the GATE and some of them are listed below.

1. Postgraduate (ME/M.Tech) Entrance:

Different benefits of the ME/M.Tech program are:

- Better job opportunities
- Higher pay packages
- Subject specialisation
- Handsome stipend

GATE scorecard is valid for ME/M.Tech admission for a period of three years.

2. Public Sector Undertaking (PSU) Entrance:

The most lucrative aspects of PSU jobs are:

- High pay packages (above Rs. 50,000 per month)
- Work-life balance
- Extra benefits such as oil or electricity at subsidised rate
- Support for higher education such as MBA

The recruitment procedure for PSU is a valid GATE score of the current year and then a round of Group Discussion (GD) and Personal Interview (PI). The weightage given to GATE score is between 75 per cent to 85 per cent. Different PSUs that recruit through GATE include PGCIL, NTPC, NHPC, IOCL, BHEL, etc.

3. PhD Entrance

Nowadays ME/MTech qualification is not required in order to be eligible for PhD, if you have a BE degree then also you can go for PhD. Different benefits of going for PhD program are:

- Research opportunities abroad
- Stipend during the course
- Eligibility requirement for Assistant professor jobs at IITs and IITs.

The recruitment process for PhD program involves a valid GATE score and then facing an interview panel based on the respective interest area.

4. Fellowship Program in Management (FPM)

It is a five-year program run at IIMs. This program has the following features:

- A monthly stipend of Rs 29,000-30,000 is offered
- No tuition fees for four years and nine months
- For students who live off-campus will get a house-rent allowance (HRA) of Rs 8,000 for a single student and Rs 13,000 for married students

5. Post Graduate Diploma in Management

National Institute of Industrial Engineering (NIIE) offers various courses in PGDM such as:

- Post Graduate Diploma in Industrial Engineering (PGDIE)
- Post Graduate Diploma in Manufacturing Management (PGDMM)
- Post Graduate Diploma in Project Management (PGDPM)

For all the above Programs, the applicant should have valid GATE (Graduate Aptitude Test in Engineering) score as on June 15, with 60 per cent aggregate marks (relaxable by five per cent in case of SC/ST/PwD (Physically Disabled) candidates) at graduation in Engineering/Technology.

6. Research Opportunities

There are certain research positions available through GATE in Bhabha Atomic Research Center (BARC) though GATE, as well as BARC, conducts its own examination for recruitment. Also, institutes like ISRO conduct their own exams on the similar pattern as GATE.

The speech has even backed up the readmitted and backlog students, creating a hope and interest on their career. The session covered important subjects to be studied according to the marks weightage and the important topics from the different subjects across all the engineering branches were also covered.

Vote of Thanks and a valedictory ceremony was held by Mrs. P. Lavanya, HOD & Assoc Professor, department of CSE. Feedback has been collected from the students and analysed.

A session on

CAREER GUIDANCE THROUGH GATE EXAM

Summary report

Date: 21/08/2017

A career guidance session was organized in the department of CSE for all the branches of engineering on 21st-Aug-2017 on "CAREER GUIDANCE THROUGH GATE EXAM." The session was organized to create more interest for the students to sustain as an engineer throughout their career and keep the students updated on various opportunities in career through GATE entrance exam.

An addressing to the gathering has been given by Mrs. P. Lavanya, HOD & Assoc Professor, department of CSE about the GATE exam and the importance of the session. An executive, Mr. Gopula Krishna from Ace Engineering Academy has inspired and motivated the students by discussing briefly about the opportunities after the graduation. Highly motivated talk has been delivered on the procedure to choose career opportunities through the GATE and some of these are listed below.

Recruitment in PSU's

Many Public Sector Undertaking like NTPC/ONGC/NHPC/IOCL/GAIL/PGCIL/CONCOR/BHEL/BEL/MECON/DDA/TPCL/HPCL/HECL etc. have indicated their interest in GATE qualified candidates. All above mentioned companies have recruited Management Trainee/ Executive Trainee through GATE exam only. From coming years it is expecting that all state level companies will also consider GATE exam for their hiring process.

Research Institutes

GATE qualified candidates in the Engineering discipline are also eligible for the award of Junior Research Fellowship(JRF) & Senior Research Fellowship(SRF) in CSIR Laboratories. JRF & SRF are stipend based fellowships. The stipend amount generally lies between Rs 15000/- to Rs 20000/- for CSIR laboratories.

Stipend in BARC

Reputed Institutes like BARC also considering or Specify GATE SCORE CARD mandatory for their various courses offered by institute. It is also stipend based course with average stipend of Rs 15000/- to Rs 20000/- for GATE qualified students. Some courses named as self supporting courses also asked for valid GATE Score Card in BARC.

Scholarships in ME/M.Tech

To enhance/promote the master education in India the Scholarship/Assistance ship is likely to be Rs 11,800/- per month is paid from MHRD to GATE qualified student. It is financial assistance for candidates so that they can easily afford their needs during their course and their work.

Library Funds

The candidates who get admission in various universities (approved by UGC or AICTE) will be eligible for library funds to accommodate their needs of Books/Notes/CDs during their masters in technology engineering. The allowances of Rs 5000/- per year will be paid to every eligible candidate.

Master in Technology/Engineering

It is an opportunity for students to earn Masters in Technology degree in their area of interest subjects, for those students who they have missed their train of IIT's, IIIT's and NIT's in their JEE Advance or JEE or AIEEE exam.

Placement Drive

During placement drive more and better technical companies (like: Google, CISCO, TATA, Skoda, Maruti, LG electronics, Siemens, Samsung etc) are coming for campus placement in reputed universities like IIT's, IIIT's, NIT's, Vellore, PEC, DCE, Thapar etc. Companies bring offered higher salaries packages to master in engineering students as compared to bachelor in engineering students.

Teaching Jobs

ME/M.Tech degree also provides opportunity for those who wishing to apply for faculty in top educational universities (like: Indus University, Sharda university, Amity University, Lovely university, Arun University etc). These top educational universities are offering Asst. Professor designation to their candidates with highly paid packages of 3-7 lacs per annum.

The speech has even backed up the readmitted and backlog students, creating a hope and interest in their career. The session covered important subjects to be studied according to the marks weightage and the important topics from the different subjects across all the engineering branches were also covered.

Vote of Thanks and a valedictory ceremony was held by Mrs. P. Lavanya, HOD & Assoc. Professor, department of CSE. Feedback has been collected from the students and analysed.

Date: 20-09-2018

Dear Professor,

Greeting!!

Subject: Request for Permission to conduct seminar on "Preparation for gate examination-2020" for 3rd Year B. Tech students

It is my immense pleasure to bring to your kind notice that a group of IITians & NITians had founded VISHWA in the year of 2005 and have been training engineering graduates for the last 14 years to meet the requirements of various national level competitive exams such as GATE/IES/PSUs and also Campus Recruitment Training (CRT). VISHWA trains thousands of engineering graduates every year and hundreds of them are getting admitted into IITs/NITs/IITs and placed at various PSUs and other Private Sector Companies. And more than 600 students got placed in 24 various IT companies with our Exclusive CRT program.

The main objective of Team VISHWA is to reach students who have excellent capabilities to crack GATE and other competitive exams.

Dr. Muneender Erukulla, Founder and Honorary Adviser Of VISHWA, has been working hard for the last many years to motivate and guide the students of various engineering colleges in a right path so that the students can acquire enough knowledge to meet the expectations of multi-national companies both private and public sector including core and software. The profile of Dr. Muneender Erukulla has been enclosed with this letter for your Kind perusal.

In this regard, We hereby request you to give an opportunity to interact with the students of 3rd year B. Tech and Dr. Muneender Erukulla would address them on "Career Opportunities for Engineering Graduates".

The mainly focuses on the following

1. The Job opportunities and packages in both Pvt. Sector and Public Sector Core Companies in INDIA through GATE Examination
2. Syllabus, Exam Patterns and weightage of each subject of written Tests of GATE, IES, various PSUs, and Core companies of Pvt Sector.
3. Advantages of Research and selection procedure of direct Ph.D admissions at IITs/NITs/IITs in INDIA and Abroad.
4. Motivating the students to plan their career in advance and execute their plans.
5. Guiding the students to excel in getting on on-campus and off-campus placements.
6. At the end of my presentation, I am sure that the students will get a deeper insight into their career plans.

Yours obediently,
For Vishwa Innovative Edu solutions Pvt
Ltd Mr. Anil Reddy, General Manager.

The main objective of the vishwa team is to reach students who have excellent capabilities to crack GATE and other competitive exams.

The seminar was focused on the following aspects:

1. The Job opportunities and packages in both Pvt. Sector and Public Sector Core Companies in INDIA through GATE Examination.
2. Syllabus, Exam Patterns and weightage of each subject of written Tests of GATE, IES, various PSU's, and Core companies of Pvt Sector.
3. Advantages of Research and selection procedure of direct Ph.D admissions at IITs/NITs/IITs in INDIA and Abroad.
4. Motivating the students to plan their career in advance and execute their plans.
5. Guiding the students to excel in getting on on-campus and off-campus placements.

Question Hour

In which Students clarifies their doubts and in turn trainers put their queries which are answered well.

At the end of seminar students got a deeper insight into their career plans.

A session on

CAREER GUIDANCE THROUGH GATE EXAM

Session Summary report

Date: 27/9/18

A career guidance session was organized by the Department of Civil Engineering on 27-Sep-2018 on "CAREER GUIDANCE THROUGH GATE EXAM." Session was organized in seminar hall D-block to create more interest for the students to sustain as a successful Engineer throughout their career and keep the students updated on various opportunities in career.

Inaugural of seminar has been done at 10.00AM by Dr. M. Lakshmi pathi Rao, Director, MCET, Sri K. Krishna Rao, Correspondent, MCET, Dr. Akshay Naidu, HOD & Professor, Department of CE.

An addressing to the gathering has been given by Dr. Akshay Naidu, HOD & Professor, Department of CE about the Department of Civil Engineering and the importance of session. An executive, Mr. Gopala Krishna from Ace Engineering Academy has inspired and motivated the students by discussing briefly about overall Engineering opportunities through GATE exam. Highly motivated talk has been delivered on the procedure to choose career opportunities through different streams of Engineering. The speech has even backed up the readmitted and backlog students, creating a hope and interest on their career.

The session covered important Engineering subjects to be studied according to the marks allotment and the important topics from these important subjects were also covered for each particular batch.

Various career opportunities through GATE exam as described below has been discussed.

1. Postgraduate (MTech) Entrance

The GATE score is considered as a mandatory requirement for entrance into post-graduate programs in different IITs and National Institutes of Technology (NITs). The process for recruitment for M.Tech programs involves qualifying GATE exam.

Different benefits of the M.Tech program are:

- Better job opportunities
- Higher pay packages
- Subject specialization
- Good stipend

GATE scorecard is valid for M.Tech admission for a period of three years.

2. Public Sector Undertaking (PSU) Entrance

GATE exam gained much popularity after various public-sector units (PSUs) signed a memorandum of understanding (MOU) with IITs for recruitment through GATE. So, clearing GATE can also help you get direct government sector jobs. The most lucrative aspects of PSU jobs are:

- High pay packages (above Rs 30,000 per month)
- Work-life balance
- Extra benefits such as oil or electricity at subsidized rate
- Support for higher education
- The recruitment procedure for PSU is a valid GATE score of the current year and then a round of Group Discussion (GD) and Personal Interview (PI). The weightage given to GATE score is between 75 per cent to 85 per cent. Different PSUs that recruit through GATE include PGCIL, NTPC, NHPC, IOCL, BHEL etc.

3. PhD Entrance

- Nowadays M.Tech qualification is not required in order to be eligible for PhD, if you have a B.Tech degree then also you can go for PhD. Different benefits of going for PhD program are:
- Research opportunities abroad
- Stipend during the course
- Eligibility requirement for Assistant professor job at IITs and IIMs.
- The recruitment process for PhD program involves a valid GATE score and then facing an interview panel based on the respective interest area.

4. Fellowship Program in Management (FPM)

- It is a five-year program run at IIMs. This program has the following features:
- A monthly stipend of Rs 29,000-30,000 is offered
- No tuition fees for four years and nine months
- For students who live off-campus will get a house-rent allowance (HRA) of Rs 8,000 for a single student and Rs 13,000 for married students

5. Post Graduate Diploma in Management

National Institute of Industrial Engineering (NITIE) offers various courses in PGDM such as:

- Post Graduate Diploma in Industrial Engineering (PGDIE)
- Post Graduate Diploma in Manufacturing Management (PGDMM)
- Post Graduate Diploma in Project Management (PGDPM)

For all the above Programs, the applicant should have valid GATE score.

6. MS Program

If you wish to go for higher studies abroad then you need not worry about exams such as GRE and TOEFL. There are some universities which consider GATE score for admission of Indian Students such as National University of Singapore (NUS) and Nanyang Technological University (NTU). GATE score must be within three years or less from the date of application and GATE percentile must be above 90.

7. State Electricity Boards

Earlier different state electricity boards used to conduct independent exams but nowadays many of them are collaborating with IITs to recruit through GATE. Some of the state boards that recruit through GATE are West Bengal State Electricity Distribution Company Limited (WBSEDCL), Punjab State Power Corporation Limited (PSPCL) and Odisha Power Generation Corporation Limited (OPGEN).

8. Research Opportunities

There are certain research positions available through GATE in Bhabha Atomic Research Center (BARC) through GATE, as well as BARC, conducts its own examination for recruitment. Also, industries like ISRO conduct their own exams on the similar pattern as GATE.

Vote of Thanks and a valedictory ceremony was held by Dr. Akshay Naidu, HOD & Professor, Department of CE. Feedback has been collected from the students and analysed.

Activity Report on Seminar on "Career opportunities with
competitive examinations"

A Seminar on "Career opportunities with competitive examinations" held on 19-08-2017 organized by Department of Mechanical Engineering in Association with "Times Institute", Hyderabad.

The program was organized in Seminar Hall D- Block. A total of 385 Students participated from all the branches of Engineering.

Speaker: Mr. Raj Kumar Mukka (Times Institute)

The main objective of the Times team is to reach students who have excellent capabilities to crack competitive exams.

The program was started with the presentation of various opportunities available through the Competitive exams like GATE, CAT, MAT, Etc.

As the majority of the PSU are recruiting the Engineers based on the GATE score, the team was given the list of companies recruiting through Gate examination.

To get a good opportunity for higher education the importance of Competitive examinations was explained during the session.

Question Hour

In which Students clarifies their doubts and in turn trainers put their queries which are answered well.

At the end of seminar students got a deeper insight into their career plans.
