REPORT ON ENGINEER'S DAY A.Y. 2014-15 ARTS & CULTURAL COMMITTEE

The Methodist College of Engineering celebrated Engineer's Day on 15-09-2014 organized by the Department of Humanities & Sciences. The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. "Making Indian Engineering World-Class" was the theme of the event. This event is planned to create awareness to students and faculties on Role of engineers in making Indian Engineering World-Class. On this day Dr.A.Giridhar, Principal, MCET gave a lecture on "Making Indian Engineering World-Class". Around 200 Students and faculty members from various departments have participated.

The detailed report is given below : Inaugural function started at 2.00P.M in Seminar Hall B-block. The Inaugural function started with a prayer song sung by students. The welcome speech was followed by the lighting of lamp by the dignitaries and speaker. IOD, H&S and the Event coordinators Mrs. Aruna, Mrs.Sona welcomed the speaker , Dr A.Giridhar, Principal, MCET and the participants of the event. Events such as Essay Writing, Elocution were conducted and the students participated thoroughly in the events. Three prizes were awarded for each event.

The Engineer's day celebration was concluded with Valedictory function. Mrs Lavanya, HOD, CSE, MCET gave the vote of thanks.

METHODIST COLLEGE OF ENGINEERING AND TECHNOLOG

Arts & Cultural Committee A.Y 2014-2015 Freshers' Party Report

"Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 6th of December 2014 was as a memorable day in the life of every fresher of B.E batch 2018-19 at Methodist College of Engineering and Technology campus. 250 1st year and 140 II year students participated in the party. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher's day was "dress your best". The celebration started at sharp 11 am at the seminar hall with a warm welcome of all the dignitaries present in the function. The freshers were formally welcomed into the MCET Family, the jury and other guests of honors were also introduced. Events started with solo singing performances by some of the best singers of second year. After this all the other participants of this great evening came up with their unique ramp walk in pairs. There were about 35 participants including 17 girls and 18 boys. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way. Later on the Chief guest who were famous youtubers, Osaama and Ishaq from "The Baigan Vines" took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random questions which any one would answer. All of them enjoyed a lot. After this, all the participants came up on the stage with their hidden talent and performed one by one. Second round of performances went on very well. Two dance teams performed after this, which provided jury with sufficient time for deciding the results. The dance performances were very much exciting to watch. After the dance performance, results were declared and out of 35 contestants, 15 of them including 7 boys and 8 girls were finally selected for the final question-answer round. The jury asked some mind twisting questions and some of them were able to tackle them very well. This question round took place twice.

Arts & Cultural Committee A.Y 2014-2015 REPORT ON TEACHERS' DAY

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

Methodist College of Engineering and Technology celebrated Teachers' day with great gusto and gaiety on 5th September 2014. There were about 70 teachers present in the function. Students performed a scintillating cultural show to denote their love, respect, acknowledgement and recognition of the hard work put in by the teachers towards their development. The cultural show incorporated poems, songs, dance and drama. They also entertained teachers by arranging fun games for them. They indicated that, teachers play a vital role in making their pupil accountable citizens of tomorrow and wonderful human beings. They are the cornerstone of students' future and there's nothing worth enough to gratify them for their selfless service and commitment. All teachers enjoyed and appreciated the program. Program concluded with Principal's address. Principal extended his heartiest thanks to all students on behalf of staff.

TRADITIONAL DAY CELEBRATIONS-(2014-15)

REPORT

The Traditional Day celebrations of Methodist College of Engineering and Technology was held on **07th October, 2014** in the college premises in appropriate manner.

It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice. Event was inaugurated with lamp lightening and Saraswati pooja by Director and principal. This is followed by classical dance performance of ganesh vandana by Kartikee and Nidhi. Director addressed the gathering and explained the richness of Indian culture and traditions.

The celebrations were followed by cultural programmes where the ECE third year students had a blast showing their talents on the stage which included ramp walk, dances and skits. Students were completely in their high traditional competitive spirit. Their inner creativity and potentialities were driven through these traditional competitions. Prizes were given to winners by Judges. In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India. The program was concluded with vote of thanks and National Anthem of India.

Teachers' Day

Teachers Day was celebrated in the college on September 5, 2015 and the celebration began at 2pm. The Principal and two students offered flowers to a portrait of Dr Sarvepalli Radhakrishnan. There were about 55 teachers present in the function. A student then gave the audience which included both, the teachers and the students, a peek into the life of Dr Radhakrishnan through speech. This was followed by a speech by the Principal who spoke about the significance of Teachers Day. As the speech concluded, a song thanking the teachers was sung by students. Games were conducted for the teachers and prizes were distributed to the winners soon after the games concluded.

After the celebration, the students and teachers left for their respective classrooms where the celebrations continued. Games between teachers and students commenced. Before everyone dispersed, the Principal and two teachers appreciated the students' effort in organising the day so well.

Summary report

Swachh Bharat Abhiyan is a nation-wide campaign in India for the period 2014 to 2019 that aims to clean up the streets, roads and infrastructure of India's cities, towns, urban and rural areas. The campaign was officially launched on 2 October 2014 at Rajghat, New Delhi by Prime Minister Narendra Modi. It is India's largest cleanliness drive to date with three million government employees and students from all parts of India participating in 4,043 cities, towns and rural areas.

On the eve of Gandhi Jayanti the NSS Unit organised an activity to promote "Swachh Bharat Abhiyan" which is being organised by Govt. of India. On this occasion, various faculties and students participated in this campaign. Director, Dean, Principal, Vice principal, HODs along with NSS Coordinators' took part in the campaign. 25 faculties from various Departments and 180 students actively participated in the campaign. The Director informally inaugurated the campaign by addressing the students about how easy it is to maintain a clean environment. He advised the students to become those little drops which would will lead to the formation of an ocean in Methodist. All participants have taken oath to make and keep campus clean. A sense of responsibility has been evoked among the students through this campaign.

Freshers' Party Report

The 30th of September 2017, was marked as a memorable day in the life of every fresher at MCET students. The Fresher's day was a day that was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the Fresher's day was 'Beauty and the Beast' for Freshers. 200 1st year and 120 II year students participated in the party. The celebration started at 10:30 pm with the welcome speech in which Freshers were formally welcomed into the Methodist family, which also included the introduction of the chief guests for the day. After the introduction of the guest few events like singing and dancing were done to entertain the freshers. The event provided Dj and a finger licking lunch. The energetic and enthusiastic emcees of the show were 2nd year students of the college. The program kick-started with all the participants elegantly dressed and ready to perform. The participants for Mr. and Miss. Fresher, were selected by the seniors based on the audition round which also included the 'Quiz Test' before the Fresher's Day. The first round for the selected students was the 'Fashion Show' which was judged by our esteemed chief guests. The second round was 'Talent round' where they had to execute their talent with cross questioning by the judges based on their Quiz Test answers. All the participants were eagerly waiting to know the results; the judgment was based on the performing style and speed of the participant. The results were finally declared at the end by the judges.

REPORT ON TRADITIONAL DAY CELEBRATIONS-(2017-18)

Arts & Cultural Committee

The Traditional Day celebrations of Methodist College of Engineering and Technology was held on **05th October, 2017** in the college premises in appropriate manner.

It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice. The celebrations were followed by cultural Programs as Mr. & Miss. Traditional, Mehendi, Rangoli and Utti Striking from 9:30 am to 1:30 pm. In this event, students from B.E., M.B.A, and M.E. participated. Among them 16 students participated in Mr. & Miss. Traditional, 10 participated in mehendi, 17 students in Rangoli and 9 in Utti Striking. Students were completely in their high traditional competitive spirit. Their inner creativity and potentialities were driven through these traditional competitions. Prizes were given to winners by Judges for every event. In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity of India.

Teachers' Day

Teachers Day was celebrated in the college on September 5, 2017 and the celebration began at 2pm. There were about 55 teachers present in the function. The Principal and two students offered flowers to a portrait of Dr Sarvepalli Radhakrishnan. A student then gave the audience which included both, the teachers and the students, a peek into the life of Dr Radhakrishnan through speech. This was followed by a speech by the Principal who spoke about the significance of Teachers Day. As the speech concluded, a song thanking the teachers was sung by students. Games were conducted for the teachers and prizes were distributed to the winners soon after the games concluded.

After the celebration, the students and teachers left for their respective classrooms where the celebrations continued. Games between teachers and students commenced. Before everyone dispersed, the Principal and two teachers appreciated the students' effort in organising the day so well.

REPORT ON ENGINEER'S DAY A.Y. 2018-19 ARTS & CULTURAL COMMITTEE

The Methodist College of Engineering celebrated Engineer's Day on 15-09-2018 organized by the Department of ME. The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. 'Engineering Challenges for Knowledge Era' was the theme of the event. This event is planned to create awareness to students and faculties on Role of Engineers in Engineering Challenges for Knowledge Era. On this day Dr.M.Lakshmiipati Rao, Director, MCET gave a lecture on Role of Engineers in Engineering Challenges. Around 300 Students and faculty members from various departments have participated.

The detailed report is given below : Inaugural function started at 2.00P.M in Seminar II Hall D-block. The Inaugural function started with a prayer song sung by students. The welcome speech was followed by the lighting of lamp by the dignitaries and speaker. HOD, ME and the Event coordinators Mr. Srikanth, Mr.Y.M.M Reddy welcomed the speaker Dr.M.Lakshmiipati Rao, Director, MCET and the participants of the event. Events such as Poster Presentation and mini-projects were conducted and the students participated thoroughly in the events. Three prizes (First, Second, Third) were awarded for each event.

The Engineer's day celebration was concluded with Valedictory function. Dr. Akshaya Naidu, HOD, Civil, MCET gave the vote of thanks.

Arts & Cultural Committee A.Y 2018-2019 Freshers' Party Report

"Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 22nd of September 2018 was as a memorable day in the life of every fresher of B.E batch 2018-19 at Methodist College of Engineering and Technology campus. 250 1st year and 150 2nd year students participated in the party. There were about 65 teachers present in the function. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher's day was "dress your best". The celebration started at sharp 11 am at the seminar hall with a warm welcome of all the dignitaries present in the function. The freshers were formally welcomed into the MCET Family, the jury and other guests of honors were also introduced. Events started with solo singing performances by some of the best singers of second year. After this all the other participants of this great evening came up with their unique ramp walk in pairs. There were about 35 participants including 17 girls and 18 boys. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way. Later on the Chief guest who were famous youtubers, Osaama and Ishaq from "The Baigan Vines" took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random questions which any one would answer. All of them enjoyed a lot. After this, all the participants came up on the stage with their hidden talent and performed one by one. Second round of performances went on very well. Two dance teams performed after this, which provided jury with sufficient time for deciding the results. The dance performance were very much exciting to watch. After the dance performance, results were declared and out of 35 contestants, 15 of them including 7 boys and 8 girls were finally selected for the final question-answer round. The jury asked some mind twisting questions and some of them were able to tackle them very well. This question round took place twice. This was the final stage and after which all the 35 contestants were eagerly waiting to know the results. Once the results were out, it was the stage of achievement for the contestants.

Name of the Programme: ROAD SAFETY

Date: 10.02.2019

Venue: Stanley college of Engineering and technology

Summary report

Road safety week is a national event aimed at raising public awareness about traffic rules and ultimately to reduce casualties due to road accidents. Millions lose their life and millions get injured in road accidents globally; mainly, due to lack of awareness about traffic rules or a behavior of flouting them. Therefore, to make people more aware of the traffic rules and to persuade them to follow rules while on road; the Road Safety Week is observed annually. Though the government observes the road safety weeks, many Charitable Organizations, Non-Government Organizations and Private firms across the country also organize and provide logistic support to the Road Safety Week Campaign.

30th NATIONAL ROAD SAFETY WEEK was celebrated on date 10/02/2019 in STANLEY COLLEGE OF ENGINEERING AND TECHNOLOGY. More than 310 students and 15 faculty members were present for this program. The main chief guest for this program is Mr. ANJANIKUMAR (CITY COMMISSIONER OF POLICE) delivered the speech regarding the awareness of road safety. Our college chairman Krishna Rao, Director laxmipathiraound AO, NSS PO are attended for this program.
