Report on Yoga

Practice of yoga makes oneself aware of their emotional, mental and physical health. Research has proved that benefits of yoga for students are outstanding as it helps in improving concentration leading to better grades, Sharpens Brain, enhances confidence level and to improve their interpersonal relationships. Yoga includes Physical poses called asana, breathing techniques and meditation. For Complete healthy bodily function, both Yoga and meditation are of great importance. Keeping this in view Methodist college of Engineering and Technology encourages students to participate in Meditation and Yoga sessions. As part of Induction Programme for BE first year students meditation and Yoga session was conducted on 28th July 2018 in Room no:105 C-block for boys and girls in two sessions from 2.15 PM to 4.15 PM. All the students of BE first year participated in these sessions enthusiastically. Yoga trainer Mr.Sanjeeva Chary organised these sessions and helped students in doing different asanas. After the sessions students expressed their happiness and told that the session was helpful.
