VIDYAKENDRA
(ACADEMIC MAINTENANCE SYSTEM)

The college is doing project on **Academic Maintenance Software (AMS)** is web and mobile based application software for management of various academic activities. The system caters to the requirements of different users Principal Director, Dean, Head of the departments, Faculty, Students, Administrators and Officials for performing their assigned tasks. The software is developed using latest internet technologies such as PHP and MySQL. The system is user friendly and can be accessed ubiquitously. The online capabilities of the system allow the students, faculty members and administrators to publish and retrieve the information from their respective disciplines. It has following sub modules:

Faculty Login

 Remember me

Login

Download App from Playstore: [Click here](#)

Features

The online capabilities of the system allow the students, faculty members and administrators to publish and retrieve the information from their respective disciplines. It has following sub modules:

- ◆ Courses Management
- ◆ Student Management
- ◆ Faculty Management
- ◆ Administration Management
- ◆ Online attendance posting
- ◆ Material and assignment posting
- ◆ Online quiz
