The program begun with Principal himself taking the broom and cleaning the walk way towards the canteen, thereby setting an example that when he says swacch Methodist to the students he means it not only to the students but also to everyone associated with Methodist. It was then followed by other faculties also This encouraged the students so much that they all came out in large numbers to make sure the campaign become successful. They also vowed that it was not just for one day but for their entire tenure in MCET that they will only focus upon maintaining a health and a fresh environment. Cleanliness is next to Godliness is what our students have really started believing upon. Since that day they make sure that their classrooms, the corridors the ground, the parking and the canteen remains neat. In this campaign more than 130 volunteers took part.

They helped people by demonstrating how waste has to be put in the dust bins that are spread across the college. The best outcome of the campaign was students didn't wait for the attenders to do the work but they themselves understood that the mess that they make by throwing papers has to be put properly in the bins.
