### **AutoCAD** Drafting Competition

#### Event description:

Methodist College of Engineering & Technology invites for AutoCAD drafting competition for METHRIC UTSAV-2023 on 27<sup>th</sup> April 2023. CAD modeling competition is based on Computer aided designing software. Civil engineering related drawing is provided. You need to draft the drawing on the Auto CAD with detailing.

**Faculty coordinator:** Mr. Mohd Shahed Ali. (9014338121)

**Student Coordinator & Mobile No:**

1. Monika-9618244819
2. Swatvika-7893551046

#### General Rules and Guidelines for competition:

**Category:** Individual.

**Registration Fees:** Rs. 50/- Per Person

#### Rules and Regulations :

**Who can compete:** Any Undergraduate can participate in the event.

1. Maximum 1 participant.
2. Line Diagram Printout will be given at the time of competition.
3. Duration 90minutes.
4. Points are calculated based on drafting, detailing, labeling and colouring.
5. The final result will be judged on the basis of completeness and optimum time.
6. Winner will be awarded with prize and merit certificate

**Result:** A Jury will select the winner and award will be given on 29<sup>th</sup> April 2023 Methric Utsav Award Function.

#### Important note:

- Members should have a valid student ID card of their college.
- Decision of Jury will be final.
- The organizers are abiding to change any or all of the above rules.

Battle of the Brains-2023

### BATTLE OF THE BRAINS – QUIZ COMPETITION

Are you a movie buff?

Are you sports enthusiast?

Do you think you have Einstein brain?

Do you think you have a strong general knowledge and intelligent enough to answer correctly??

If yes, participate in the battle of the most intelligent brains and become a Quiz Monster!!

Student Coordinator& Mobile No:

1. M.Nithin Sai (6301908205)

2. G.Vyshnavi (9959431089)

Faculty Coordinator:

Mr. Imran Shaik Contact No.: 9618616296

Category: Individual/Group Registration Fees: 100/- per team

### Rules of the event

First Stage: Five teams (Each team with maximum of 3 members) will be formed, based on First registration basis Second

Stage: It consists of total 5 rounds to be held in front of Audience.

First Round: General Awareness Round – 5 questions per team (10 Marks each) No negative marking. No pass to team, pass to audience Second Round: Technical Round – 5 questions per team (10 Marks each) Pass to other teams, No one gets - pass to audience

Third Round: Current Affair Round – 5 questions per team (10 Marks each) Pass to other teams, No one gets - pass to audience

Fourth Round: My favorite Round – 5 questions per team - 10 Marks each. Negative Marking for wrong Ans (-5 Marks), No pass allowed.

Fifth Round: (Rapid Fire) No Option Round – Time 60 sec (1 min) - 10 Marks each Negative Marking for wrong Ans (-5 Marks), team can skip the question by saying pass, display answers of all questions on a slide after finishing particular team.

METHODIST COLLEGE OF ENGINEERING AND TECHNOLOGY Department of Civil Engineering METHRIC UTSAV-2023

1. For Pass Q correct answer will get (+5), wrong answer will get (-5)

2. Team can skip to pass on Q. Chance will be given to next team if asked. Otherwise, Q will be passed to audience.

3. Score will be displayed after every round.

4. No prompting. If found, immediate action will be taken against him/her.

5. Lifeline – Two times expert advice. First time lifeline no negative marking. Correct answer gets 10 Marks. Second time lifeline correct answer (+5 Marks). The organizer's decision shall be final and binding to the participating member/s. No queries will be entertained thereafter.

## Department of Civil Engineering Model Making Competition

This competition is conducted in order to engage students to show their creativity and also to give wings to their imagination and thoughts. The competition is all about the enhancement of the students. The objective of this competition was to inculcate a scientific attitude and research mindness so that students develop the qualities of analytical and critical thinking.

### **Student Coordinator & Mobile No:**

ASHWINI- 9381822893

VINAY KUMAR-9052964610

**Faculty coordinator:** Mrs. Shaista Begum

**Contact No.:** 9701528530

**Category:** Individual / Team

**Registration Fees:** Rs.50 group (maximum 3 members in a group).

- Model is supposed to be prepared at MCET within stipulated time period based on problem statement given at the time of event.
- Materials (popsicle stick, fevicol, cutter etc) required will be provided to you at spot.
- Winning criteria will be mainly based on load carrying capacity and weight of model.
- Students from different institutes can form the team.
- Each team may consist of maximum 3 members.
- Use your own scale, calculator if required
- The organizer's decision shall be final and binding to the participating member/s. No queries will be entertained thereafter.

**Result:** Best Model is being Awarded with momentum and certificate

All Participants shall receive E- certificate

## PIRATE - TECHNICAL TREASURE HUNT

Treasure hunts are information-based scavenger hunts, or puzzle hunts, in which teams use their collective brainpower to solve clues. Each team is presented with a group of technical puzzles, or Compass needle direction clues & Basic knowledge of Civil Engineering which teams must solve in order to find a piece of information to get final solution at the end of the hunt.

**Student Coordinator & Mobile No:**

1. Akash Varma 7207936541

2. Sai Kumar 9550986651

**Faculty coordinator: Mrs. Mary Soujanya**

**Contact No.: 9948566791**

**Category: Team**

**Theme: Open**

**Registration Fees: Single: Rs. 50 and 2 (Group) : Rs. 100**

### Rules:

1. Entry for 1(Single) = Rs. 50 and Entry for 2(Group) = Rs. 100.
2. Every participant should have their college ID card.
3. All participants are to report 15 minutes before the hunt starts.
4. Participants must be present for the event at the specified time. Absent participants will be automatically disqualified.
5. The hunting is divided into three rounds.
6. First and second round will be an elimination round in which each group will have to solve pieces of technical puzzles.
7. Third Round will require basic knowledge of Civil Engineering.
8. Qualified Groups will have to proceed to next round.
9. Any misbehavior from the participants during event may lead to disqualification.
10. Prize money is given for Winners and Runners.
11. All rights are reserved with the committee. There will be 3 rounds
12. Clue Mining - Digging files and folders to get pieces of information to get into next round within time.
13. Jigsaw Puzzle - Arranging pieces of technical puzzles to formulate the final answer.
14. Expect the Unexpected - Basic knowledge of Civil Engineering Code is collected.
15. All rounds are time bound. 1st and 2nd rounds are elimination rounds.
16. The organizer's decision shall be final and binding to the participating member/s. No queries will be entertained thereafter. For more details, please contact committee.

### Short film Competition

#### The 10-Minute Film Competition

Theme of the Film: “Social Media Addiction”- Shed Light on the impact of excessive social media use on individuals & society.

#### Event description:

Methodist College of Engineering & Technology invites for short film competition for METHRIC UTSAV- 2023 on 28<sup>th</sup> April 2023. The students need to shoot the short film with the given Theme with their own video cameras and or mobile phone and present it before the Judges. This platform is to make allows for filmmakers to be experimental, take on a variety of topics, hone their skills and grow creatively.

#### Faculty coordinator:

Mrs. S. Deva Samyuktha , Asst Prof (8019811469)

Ms. Shiphali Preethi Aind. (9676388645)

#### Student Coordinator & Mobile No:

M. Divya (8985867376)

A. Harika (9390431141)

#### General Rules and Guidelines for competition:

**Category:** Team.

**Registration Fees:** Rs. 200/- Per Team

**Who can compete:** Any Undergraduate can participate in the event. Each application should have one film and it is sent to the coordinator once. The film being sent for the competition should not be in the Social Media platform(s).

**Language of the Film:** English, Telugu, & Hindi

**Duration:** Short Film should not be less than 3 minutes and not more than 10 minutes.

**Film format:** Short films may be in any form (fiction, documentary, animation etc) shot with any device or camera set-up (in MP4 format, Full HD (1080p) or 1920X1820p). Preferably, the size of the short film being sent for the competition should not be more than 2 GB.

**Title & Credits:** Each film should depict its title and credits, including the names of the producer, writer and director.

#### Invalid Entries:

The contestant must not contain any objectionable words/ any subject that hurts the feeling of a culture/ language/ religion/region

Clips from previous work that's available in the public domain.

Any participant found violating rules and regulations

**Result:** A Jury will select the winners and cash will be given on 29<sup>th</sup> April 2023 Methric Utsav Award Function.

#### Important note:

- Members should have a valid student ID card of their college.
- Please bring own equipment( pen drives, cables etc.) to project it on projector
- Judgement will be based on theme, creativity, plot, pacing structure, character, sound quality, music score, originality message effectiveness dialogue, entertainment value with compliance.
- It should be original work of the participant and decision of Jury will be final.
- The organizers are abiding to change any or all of the above rules.
